POLICIES

REGULATION OF CLASSES

Camden County College reserves the right to regulate the number of students in a class, to cancel a class, or to change the room assignments, times of classes and instructors. The calendars, courses, and curricula described herein are subject to change by the College at any time. The College also reserves the right to change tuition and fees herein stated at any time by action of the Board of Trustees.

STUDENT E-MAIL

All students enrolled at Camden County College will be assigned a student e-mail account. This e-mail account is the College's official means of communicating with students, so students are advised to check this mailbox regularly.

CHARGEBACK FOR NEW JERSEY STUDENTS

New Jersey residents living outside of Camden County and attending Camden County College must obtain a certificate of eligibility for chargeback from the Admissions or Registrar's Office of the student's home county community college. Failure to apply for charge back will result in additional charges to students. For further information regarding chargeback-eligible programs and requirements, please contact the Office of Admissions, Records and Registration Services at (856) 227-7200, ext. 4200.

LATE REGISTRATION

Late registration is usually allowed if only one class meeting has been missed. After a class has met more than once, late registration may be denied, or may be allowed with the permission of the instructor or area dean. A $35 fee is assessed for late registrations.

COURSE CHANGES

Once the session begins, a $35 processing fee is assessed each time a student makes a schedule adjustment – except for changes due to cancelled courses or other institutional reasons. When adding courses, payment is due at the time of registration. If payment is not made, your **entire** semester schedule is subject to cancellation. Students making changes in their class schedules may do this online using WebAdvisor or may process a Registration/Drop-Add Form through the Office of Admissions, Records and Registration Services. Refer to the Academic Calendar on page 9 for course change deadlines for each session.

TUITION REFUND/SPRING 2019

Students who register for courses at Camden County College are entering into a contract with the College to pay the cost of associated tuition and fees. Students may receive a 100% refund of tuition and fees paid after registration for courses at Camden County College, **if courses are officially dropped prior to the first day of the start date of the session in which the courses are scheduled.** Students may receive a 50% refund of tuition and fees paid after registration if courses are officially dropped on or after the first day of the start date of the session in which the courses are scheduled AND by the end date of the schedule adjustment period for the session in which the courses are scheduled. These refund deadline dates are published on page 9. After these deadline dates, students are not entitled to a refund (even if they decide to not attend or withdraw from one or all classes). If students wish to appeal this policy due to mitigating circumstances, they may do so by following the appropriate tuition credit appeal procedures. Course changes after the 50% refund deadlines for each semester are considered withdrawals. Withdrawals are not subject to a refund. Withdrawals cannot be processed online via WebAdvisor but must be filed by completing and submitting an official Withdrawal Form to the Office of Admissions, Records and Registration Services.

Refund policy for students receiving financial aid is available on the College website. For information on the refund policy for financial aid recipients who withdraw (officially or unofficially) from the College visit **www.camdencc.edu**.

WITHDRAWALS

A student wishing to withdraw from a course between the **third week and the end of the eighth week** of the 15-week term, or its equivalent period for shorter sessions, has the right to do so. To withdraw, a student must fill out a *Withdrawal Form* and submit it to the Office of Admissions, Records and Registration Services by the published withdrawal deadline.

When the *Withdrawal Form* is processed, a grade of **W** is assigned. This **W** will become the verified final grade. Students cannot use WebAdvisor to withdraw from a course. **Students are not permitted to withdraw from courses in which they receive an attendance grade of XA.** After the end of the eighth week of classes, or the equivalent academic period for shorter sessions, no grade of **W** will be given unless there is formal medical or emergency withdrawal from the College documented through the Executive Dean of Enrollment & Student Services. There is no refund of tuition and fees after the 10th day of the 15-week session, or the equivalent academic period for shorter sessions.

FINANCIAL AID ATTENDANCE POLICY

Students who are eligible for financial aid (including grants and loans) are required to remain enrolled in order to receive those funds. Students who never attend, or stop attending all of their classes jeopardize their financial aid for both current and future semesters. If the student does not remain enrolled until the end of the semester in at least one class, the College is required to review the student's financial aid to determine if adjustments to the award are required.

If the student's financial aid is adjusted, the student remains responsible for all tuition, fees, book voucher and stipend amounts. For more information about financial aid's attendance policy go to **www.camdencc.edu/financialaid** or call (856) 374-4985.

POLICIES
