The FAFSA Priority Filing Deadline is May 1, 2012. File online TODAY at www.fafsa.ed.gov. You are encouraged to check the status of your financial aid file online via Web Advisor (www.camdencc.edu). You must have confirmation of your financial aid by the time of registration or by the deferred payment due date in order to use those funds toward your payment. **If your file is completed after June 1st you will be responsible to pay your bill from your own resources.** Financial Aid refunds will begin being issued in November.

COURSE CHANGES

A **$25** schedule adjustment fee will be assessed for each change transaction made after August 31, 2012 (for the 15-week session). You may need an advisor's approval to add courses. Please be very careful when registering for classes after the start of the term/session. If you register after the start of the term/session and then you drop the course, even the same day, you will be responsible for 50% of all charges, even if the class has never met or even if you have never attended the class.

50% Refund	Official drops through Monday, September 17, 2012

DROP POLICY

Payment is due at the time of registration (except during priority/early registration periods). If at any time your term balance exceeds 50% of your term charges, **your entire schedule is subject to cancellation – not just the most recent transaction.** When you register for classes you are agreeing to purchase a seat in each class you select and you are responsible for payment of the tuition and fee charges. Should you choose not to begin the classes for which you have registered, **you must officially drop** those classes according to the scheduled deadlines to avoid being charged.
