

**February is Children's Dental Health Month.** The Dental Department at Camden County College is participating in the seventh annual Give Kids a Smile Day on Friday, February 5. The program offers children 12 years and under free preventative dental care and introduces them to the importance of oral health. All visits are by appointment only.

For more information about Camden County College's event please call **Anna Marie Agresti at 856-227-7200, ext. 4631.**
