

ELECTIVES

ELECTIVES

General Education courses provide each student with a strong background in the communications, mathematics, science, computer literacy, social sciences, humanities and history. As students with diverse backgrounds develop this core of knowledge, they gain a common base of information required for their education at Camden County College or for transfer to four-year colleges and universities and a sense of membership in the academic community.

Students may select courses from the communications, mathematics, science, computer literacy, social science, humanities and history electives to fulfill their general education elective requirement. Students may select any college level course to fulfill the category of Elective.

BIOLOGY ELECTIVES

BIO-103 Human Biology
BIO-104 Prin of Enviro Sci
BIO-106 Environmental Science
BIO-111 Biology I-Science
BIO-112 Biology II-Science
