Sealant Saturday is designed for children aged 6 to 16.

Did you know:

⇒ Dental Care is the largest unmet need among children?
⇒ Dental Decay is the most common chronic disease of childhood?
⇒ The Disease of Dental Decay is infectious?
⇒ Up to 51 million school hours are lost annually to Dental-Related Illness?
⇒ The Disease of Dental Decay is preventable?

Sealant Saturday will provide education, fluoride varnish, and sealants—*the prevention that works!*

*Sealants* are a clear plastic coating applied to chewing surfaces of back teeth to protect the tooth from decay.

Referrals to dental homes will be available for those whose dental needs are beyond prevention.

*Make Sure Your Kids Are Protected!*
