

Presents

Traveling Humanity . . . From South Jersey to Darfur

What Is REALLY Happening in Darfur?

The College Community and the General Public are invited to:

**A presentation by Dr. Jerry Ehrlich, Cherry Hill pediatrician
 and volunteer member of Doctors Without Borders**

**THURSDAY, OCTOBER 8, 2009
 7 p.m.**

Madison Hall • Room 210 • Blackwood Campus

Dr. Ehrlich will discuss the first genocide of the 21st century using his collection of photographs and children's drawings. Dr. Ehrlich was an eyewitness to the horrific impact of the genocide on Darfur's population, and he has been working to increase public awareness of the atrocities since his return to the US.

Following Dr. Ehrlich's presentation, a portion of *THE DEVIL CAME ON HORSEBACK* will be shown. This powerful award-winning documentary tells the story of a former U.S. Marine Captain who went to Darfur as an official military observer and his quest to stop the genocide on his return.
