In order to be eligible for a Federal PLUS loan, I understand my son or daughter must:

- enroll for at least half time (six credits) per semester in an eligible degree or certificate program
- attend at least half time (six credits) until the conclusion of the semester in order to remain eligible
- maintain Satisfactory Academic Progress

**Loans are disbursed beginning at the 60% point of the semester (mid-November for fall and mid-April for spring).** Loans are disbursed according to the number of semesters indicated that the student will enroll during the academic year. For example, if you indicate that the student will enroll for the fall and spring semesters, the PLUS loan money will be divided into two disbursements, one each semester. If you indicate that the student will enroll for the fall, spring, and summer semesters, your loan money will be divided into three disbursements, one each semester. **Therefore, complete the enrollment information below so that it clearly indicates those semesters during which you want your PLUS loan to be disbursed.**

I am requesting \$\_\_\_\_\_ (amount) in PLUS loan funds for the \_\_\_\_\_ academic year.  
 I understand that I must have an active Plus Master Promissory Note for CCC in addition to this request form. I understand that approval for the PLUS loan is based upon my credit history. Adverse findings in my credit history may cause my loan to be denied. If I am denied a PLUS loan the student may be eligible to apply for an Unsubsidized Stafford loan. The maximum Unsubsidized eligibility per semester is listed in the Stafford Loan Guidelines information sheet. I understand that if my student withdraws or stops attending any classes, he/she will receive XA, NA or F grades and as a result my PLUS loan may be reduced or cancelled.
