- 2) If **eligible**, up to 15 credits of tuition will be waived. The student is responsible all credits above 15 as well as for all other cost associated with attendance (such as the general fee, lab fees, books, supplies, transportation).
- 3) If an applicant is ineligible for state/federal grants, **for reasons other than default or unsatisfactory academic progress**, the applicant must complete a Camden County National Guard Tuition Waiver Form. In those cases where financial aid will not cover all tuition costs, a waiver will be granted to cover the remaining costs of tuition for up to 15 credits.
- 6) Students who are enrolled in a course program not available at their home county college, must submit a “Certification of Charge-back Eligibility.” Failure to do so, if required by Camden County College, can result in additional costs to the student that will not be covered by the National Guard Tuition Waiver Program.
- 7) Students who have not complied with all Camden County College waiver and financial aid policies by their last day of enrollment or the last day of the semester (whichever comes first) will be ineligible for the waiver. Ineligible students will be held responsible for tuition costs as well as all other costs incurred.
