## Important Payment Information

Your registration is not complete until you have paid or made arrangements to pay your bill. Beginning June 1, 2009, payment is required at the time of registration. Students who register online from April 27 through May 31, 2009 may defer their payments until July 13, 2009.

Use this Tuition Payment Worksheet to compute your tuition and fees. If you are registering by mail, please include the Payment Information page (p. 8) along with your Registration Form. If you are registering by fax, please include your credit card payment information. We accept Visa®, MasterCard® and Discover®. Financial aid recipients must include proof of financial aid.

**Your payment on time is critical.** Course selection may be cancelled if payment is not received by the due date. More importantly, you will have lost a guaranteed seat in course selections that may close out early.

**PLEASE NOTE: Tuition and fee schedules were current at time of printing. HOWEVER, they are subject to change without notice.**
