

Make a Payment

“Make a Payment” is designed for you to pay your bill. You must use a credit card to use this option. Camden County College accepts VISA, MasterCard, and Discover. Please click on **Help** tab that is available on each online payment form for step by step directions. Registration is not complete until payment is made or authorized payment arrangements have been made, such as approved financial aid, DVR support documentation, etc.

Paying for Summer Semester

The College requires 100% payment at the time of registration for summer semester. Your Classes will be **dropped** if you make less than full payment.

Paying for Fall or Spring Semesters

The College offers payment plan options for Fall and Spring credit registration only. You will be charged a payment plan fee if you opt to pay less than 100% of your charges at the time of registration. The minimum partial payment acceptable is 50%. Your classes will be **dropped** if you make less than 50% payment. Payment is deferred for students who register during designated priority/early registration periods. See semester tabloids or other published information for specific dates when deferred payment is available.

For more information on payment, Visit our FAQ page.

All Prior Balances Must Be Paid First

The College requires that all prior balances be paid in full before registering for a subsequent semester. Once you have paid your prior balances, you may need to notify the Business Office (856-227-7200, Ext. 4312) in order to be permitted to register. Payments made will be applied to prior balances first.

Tuition Waiver Programs

The College offers tuition waivers under various programs. Students requesting a tuition waiver may not register online using Web Advisor, but must come in person to one of our three locations to complete appropriate forms. **Even though the College waives the tuition, these costs may still appear in your balance WebAdvisor.**

Paying for Non-Credit Courses (Continuing Education)

You are now able to use WebAdvisor to register and pay for Non-Credit Courses. The College requires 100% payment at the time of registration for a Non-Credit Course. Your registration for non-credit courses will not be accepted without making full payment.
