If you have not submitted an online admissions application, it may take longer for your scores to be posted. Results can't be discussed over the phone because of the confidential nature of testing.

For New Students: How to Apply to Camden County College

If you are a new student please apply for admission online.

Go to <https://apply.camdencc.edu>.

Select **Create Your Account** and then **Apply to Camden County College**.

All students are required to complete an Admissions Application regardless of the reason for enrollment.

If you have attended another college and you are applying to a selective associate degree or certificate program, or if you wish to have your previous courses evaluated for transfer credit, please submit to the Admissions, Records and Registration Services an official transcript from each college you have listed on the application.
