Blue-Gold Connection
Articulation Agreement
Between
Drexel University & Camden County College
November 1, 2009

I. PURPOSE
Drexel University ("Drexel") and Camden County College ("Camden") enter into the following agreement (the "Agreement") to facilitate the transfer of Camden graduates to Drexel for completion of a bachelor’s degree. Participation in the Blue-Gold Connection ("BGC") enables eligible students who have completed an associate’s degree at Camden to enroll in a full-time, undergraduate day program at Drexel for completion of a bachelor’s degree.

II. TERMS AND CONDITIONS

A. Admissions Practices

1. Students may be identified as eligible for participation in the BGC in one of the following ways:

   a. A prospective Drexel student who completes the full-time undergraduate application process at Drexel, but is not offered admission to Drexel and enrolls at Camden may, at the discretion of Drexel, be invited to participate in the BGC.

   b. A prospective Drexel student who completes the full-time undergraduate application process at Drexel and is offered admission, but who elects to enroll at Camden may, at the discretion of Drexel, be invited to participate in the BGC.

   c. Students enrolled at Camden who (a) have not attended any institution of higher education other than Camden; and (b) at the time of their proposed enrollment in the BGC will have completed fewer than 35 credits at Camden, may be eligible to participate in the BGC.

2. Camden students who are interested in the BGC will be requested to complete a “BGC Commitment Form”, in the form attached hereto as Exhibit A, a copy of which will be provided to both Drexel and Camden. Drexel and Camden acknowledge and agree that a Camden student who completes a commitment form is considered enrolled in the BGC Program, but is not guaranteed admission to Drexel.

3. To be eligible for the benefits of the BGC described in this Agreement, Camden students must successfully complete all Camden graduation requirements (while enrolled exclusively at Camden) toward an associate’s degree in their program of study.

4. Camden students who wish to transfer to Drexel will be required to complete the full-time undergraduate application process at Drexel. The completed application must be submitted during the student’s final semester at Camden, or within a two (2) year period following the award of the associate’s degree. Camden students who have completed their associate’s degree, or will have completed their associate’s degree at the time of their enrollment at Drexel, will have their Drexel application fee waived.

5. Transferring Camden students must meet the same general admission criteria as other students applying for transfer to Drexel, including without limitation, the ability to complete coursework as demonstrated by a transcript with minimal withdrawals and repeated courses.
6. Students will be required to satisfy the specific admission requirements established by the college or program at Drexel in which the student intends to enroll. The applicable requirements will be those in effect as of the date of the student’s admission to Drexel. The requirements in effect as of the date of this Agreement are outlined in Exhibit B. Drexel reserves the right to change such admission requirements at any time.

7. Following their acceptance to Drexel, students will be required to notify Drexel of any material change to the accuracy and completeness of the information contained in their application information prior to their enrollment at Drexel.

8. In accordance with Drexel’s Transfer of Credit Policy, to receive transfer credit for Camden courses, the courses must be substantially equivalent to courses offered in the desired curriculum at Drexel. The number of credit hours that can be transferred will be determined by the Drexel college or program in which the student seeks to enroll. Students will be directed to the Drexel Catalog at www.drexel.edu/catalog and www.collegetransfer.net to complete an appropriate plan of study to maximize transfer credits.

B. Financial Assistance

1. Students will be fully eligible for all federal, state, and institutional aid when enrolled at either institution. BGC students will be eligible and automatically considered for Drexel Dean’s Scholarships.

2. Drexel will offer a $6,500 BGC Achievement Grant to Camden graduates who successfully complete the BGC program and matriculate at Drexel in a full-time, undergraduate day program. The amount of the BGC Grant will be applied to tuition costs and will be divided by the number of years required to complete the Drexel degree program in which the student enrolls. For example, if a student will be at Drexel for two years in order to complete their bachelor’s degree, the student will receive $3,250 each year.

C. Joint Responsibilities

1. Drexel and Camden agree that each entity will develop and implement advertising and promotional efforts to communicate the benefits of the BGC. All advertising and promotional material developed by Camden must be reviewed and approved by Drexel prior to use. Camden will make no use of Drexel’s name, logo, trademarks or service marks without the prior written consent of Drexel. In its promotion of the BGC, Camden will not state or imply either directly or indirectly that Camden’s relationship with Drexel is other than as expressly set forth in this Agreement, or that its program or activities are supported, endorsed, or sponsored by Drexel.

2. Drexel and Camden will ensure that appropriate personnel in their respective colleges are aware of the BGC and are encouraged to support it. Such persons include admissions staff, counselors, career planning and placement officers, transfer coordinators, and appropriate deans and faculty.

3. Meetings with students interested in the BGC program will be arranged by Camden in consultation with Drexel. Both institutions will encourage Camden students to meet with representatives from Drexel to discuss issues related to admissions and financial aid well in advance of their expected date of entry.

4. Drexel and Camden are each responsible for identifying and communicating to each other, changes in their respective courses, requirements or policies that affect this Agreement.

III. GENERAL
1. The term of this Agreement shall be for three (3) years, commencing November 1, 2009 and expiring October 31, 2012. This Agreement may be renewed upon written agreement between Drexel and Camden. Discussions between the parties regarding renewal will commence in July 2012. Either institution may terminate this Agreement at any time by written notice at least one (1) year in advance of the effective date of termination. Should this Agreement be terminated by either party, it is understood that all currently enrolled BGC students will continue to receive the benefits articulated in the Agreement until they graduate from Drexel.

2. This Agreement may be revised or modified by a written amendment signed by the authorized representatives of both parties; provided, however, that the requirements set forth in Exhibit B may be revised at any time at the sole discretion of Drexel. This Agreement and its exhibits represent the entire understanding of the parties with respect to the subject matter covered herein and supersedes and nullifies any previous agreements between the parties.

3. This Agreement and its exhibits shall be binding on the parties and their respective successors and assigns. Neither party shall assign its duties and obligations under this Agreement without the prior written consent of the other party.

4. This Agreement shall be construed and enforced in accordance with the laws of the Commonwealth of Pennsylvania.

IN WITNESS WHEREOF, the parties, intending to be legally bound, have caused this agreement to be executed by their duly authorized representatives as of the date indicated below.

**Drexel University:**

Joan T. McDonald  
Senior Vice President, Enrollment Management

N. John DiNardo, Ph.D.  
Vice Provost for Academic Affairs

**Camden College:**

Dr. Raymond Yannuzzi  
President

Dr. Margaret Hamilton  
Vice President for Academic Affairs
