Higher Education Opportunity Act -- 2008

On August 14, 2008, the Higher Education Opportunity Act became law, reauthorizing the Higher Education Act for the first time since 1998. This law is intended to help students and parents make better-informed decisions about higher education. With this goal in mind, Camden County College has developed this Web site to better inform students, parents, and the College. For more information about the Higher Education Opportunity Act, please refer to the U.S. Department of Education Web site at:

The pages within this site contain disclosures within the following categories, click on the appropriate topic for more information:
