PROGRAM DESCRIPTION

The curriculum leads to the bachelor's degree in business administration. Specialized fields in upper division studies include accounting, business administration, economics, finance, human resource management, marketing, computer studies, and other business-related professions.

PROGRAM STUDENT LEARNING OUTCOMES

At the end of the program, the graduate will be able to:

1. Apply and explain the fundamentals of financial reporting and analysis.
2. Apply financial data to making business decisions.
3. Research and communicate business information using information technology.
4. Describe the legal implications of business descriptions.
