**PROGRAM DESCRIPTION**

Medical assistants who hold a Certified Medical Assistant (CMA) certification are eligible to receive college credit for their post-secondary education. All applicants to this program must take a required core of courses consisting of a minimum of 38 college credits. Medical assistants are eligible to apply for a maximum of 22 additional college credits toward an associate in health science degree: Certified Medical Assistant Option, through portfolio assessment

**PROGRAM STUDENT LEARNING OUTCOMES**

At the end of the program, the graduate will be able to:

1. Communicate in both written and oral formats.
2. Apply the scientific method of inquiry to analyze problems and draw conclusions from evidence and data.
3. Identify resources, obtain and critically evaluate information.
4. Model ethical professional behaviors in the role of a healthcare professional.
