PROGRAM DESCRIPTION

This program will prepare students to perform maintenance and minor repairs on GM vehicles. Students may also move from this program into the GM/ASEP degree program.

EMPLOYMENT OPPORTUNITIES

The students must complete at least one 9-week practicum at a GM dealership to meet graduation requirements. This practicum usually leads to full-time employment. The dealers have requested GM to develop this type of program.

SPECIAL ADMISSIONS REQUIREMENTS

- Applicants must complete the required application form, submit official high school records and college transcripts and, if applicable, arrange to take the College Placement Test.
- Applicants must bring an abstract of their driving record from the NJDMV.
- After being accepted by the College, students must be sponsored by a General Motors dealer before beginning the program.
- Students must purchase or possess a basic tool set before beginning their first college practicum at the sponsoring dealerships. (The College provides a list of the required tools.)
- Students must have clean driving record, and be able to pass drug and background checks.
