

Dear Parent/Guardian:

We are delighted that your son/daughter has decided to participate in the Camden County College – High School Plus Program for the 2020-2021 school year. This program enables academically eligible high school students to receive both high school and college credit for certified high school courses. Upon graduation, students may choose to enroll at Camden County College or may transfer their credits to a four-year school. However, it should be understood that no college, including Camden County College, can absolutely guarantee the transferability of its credits to another institution.

Registration

- Students must be enrolled in the courses they register for during this current academic year.
- Each course has a cost of \$150.00.
- Complete the digital application/registration form.
- An email with a link to make payment will be sent to the personal email provided on the application. Payment can be made by debit or credit card as well as electronic check.

Registration Deadlines

- Early registration: Now through December 11
- Final registration: January 15 through March 19
- Students that attempt to submit their registration form after **March 19** will not be eligible to receive dual credit for the 2020-2021 school year.

Final Grades

Upon conclusion of the school year, final grades from the high school are submitted to Camden County College and assigned as A, B, C or Audit as earned. In order to receive college credit, students must earn a minimum grade of 'C' in each certified course. However, some courses have additional requirements – Please reference the chart below.
