The Camden County Cultural & Heritage Commission at Camden County College is the designated County Arts Agency. It receives funding from the Local Arts Program of the New Jersey State Council on the Arts to re-grant to local arts organizations and projects and to provide services to aid in arts development.

All applications are carefully reviewed by a peer panel of art professionals and administrators. The panel ranks each proposal's priority for funding. The Board of Directors of the Camden County Cultural & Heritage Commission at Camden County College reviews the Panel's recommendations and has final responsibility for funding decisions.

What's New for 2024

- Applicants may apply for General Operating Support **AND** Special Project Support. All appropriate budget and application questions must be answered. Budgets must not overlap.
- For 2024, applicants are not required to document a match for 2024 re-grant funds.
- Re-grant awards will be limited to \$10,000. Applicants must demonstrate a financial need and justification for the amount they request.
- Completion of the income and expense pages included with the application is required, for the organization and not just the project. Applications submitted without these pages completed will be deemed ineligible for funding. A “see attached” response will not be accepted.
- For those organizations requesting Special Project Support, a project budget page must also be completed, in addition to the organizational income and expense pages.
- Any private, non-profit organization applying for funds must be current with all requirements, including, but not limited to:
 - All Federal filings (e.g. 990s & Payroll Taxes)
 - All NJ filings (e.g. Annual report, Sales Tax, & Payroll Taxes)
 - NJ Charities Bureau Registration is required for 501(c)3s with annual solicited contributions over \$10,000. Organizations below \$10,000 may put N/A on the line of the application asking for this information. For more information: www.njconsumeraffairs.gov/charity/charfrm.htm
- Applicants are required to answer all application questions; a “see attached” response will not be accepted.

- **THIS IS A 12-MONTH GRANT.** Funds are to be used to pay for activities conducted between January 1, 2024 and December 31, 2024.
- **GRANT AWARDS ARE COMPETITIVE.** Applicants are judged on artistic excellence, benefit to the public, administrative and financial competence, quality of programs and activities, accessibility, sustainability, and past C&H grant management and reporting history, if applicable. Peer reviewers will make funding recommendations for each application based on their evaluation of the application.
- **Organizations who apply for funding from other county agencies or the NJ State Council on the Arts are eligible to apply but must disclose this in the application.**
- **Non-arts organizations must document a prior history of arts programming.** Explain any activities/projects the organization has sponsored in the past that are arts related.
- **Applicants must ensure every effort will be made to assure compliance with the Americans with Disabilities Act of 1992.** The CCC&HC @ CCC strongly encourages re-grantees to develop a plan for compliance with the ADA. The NJ State Council on the Arts provides resources for developing a plan at <https://njtheatrealliance.org/cultural-access-network-project>, including a plan outline for organizations found here: <https://www.surveygizmo.com/s3/3751537/NJ-State-Council-on-the-Arts-FY18-FY20-ADA-PLAN-OUTLINE>.
