

Program Outcomes

The following data indicates how many Camden County College Ophthalmic Science Technology students found jobs, graduates, and passed the licensing and certification exams over the past three years.

Graduation and Employment Rates

Year Entering	Year Graduating	Number of students entering	Number of students graduating	Graduating Percentage	Number of students employed at time of graduation	Employment percentage
2015	2017	27	19	70%	18	95%
2016	2018	21	16	76%	15	93%
2017	2019	22	16	73%	16	100%
2018	2020	24	19	79%	19	100%
2019	2021	17	14	82%	14	100%
Five Year Totals		111	84	75%	82	97%

New Jersey Ophthalmic Dispenser Licensing Examination

Year Entering	Year Graduating	Number of students attempted exam	Number of students passed exam	Licensure pass rate percentage
2015	2017	17	11	65%
2016	2018	13	12	92%
2017	2019	13	7	53%*
2018	2020	14	2	14%*
2019	2021	6	3	50%
Five Year Totals		63	35	55%

***2019 and 2020 Graduates were previously impacted by COVID-19. The New Jersey Ophthalmic Dispensers Licensing Exam was offered during 2021 at the usual intervals. Licensure pass rates have been updated accordingly.**

American Board of Opticianry (ABO) Pass Rates

Year Entering	Year Graduating	Number of students attempted exam	Number of students passed exam	Certification pass rate percentage
2015	2017	5	5	100%
2016	2018	1	1	100%
2017	2019	10	10	100%
2018	2020	10	10	100%
2019	2021	3	3	100%
Five Year Totals		29	29	100%

National Contact Lens Registry Examination (NCLE) Pass Rates

Year Entering	Year Graduating	Number of students attempted exam	Number of students passed exam	Certification pass rate percentage
2015	2017	2	2	100%
2016	2018	0	0	N/A
2017	2019	11	7	63%
2018	2020	12	10	83%
2019	2021	4	4	100%
Five Year Totals		27	23	85%

* Pass rates for ABO and NCLE exams are anecdotal as candidates not completing the exams do not always make program personnel aware. Those not passing the exams are not published through the ABO/NCLE.
