School of Nursing

Camden County College - Blackwood Campus

Are you interested in becoming a Registered Nurse?

Rutgers, The State University of New Jersey, School of Nursing, has collaborated with Camden County College in Blackwood, NJ to provide an opportunity to obtain a Bachelor of Science Degree in Nursing after completing an Associate's Degree in Science - Pre-Nursing Track. Students applying to the program must have either an Associates of Science degree or sixty (60) undergraduate pre-requisite credits from Camden County College. This program offers:

- Admission into the School of Nursing upper division academic nursing program at Rutgers School of Nursing – Newark & New Brunswick
- The opportunity to complete all coursework on the Camden County College - Blackwood campus
- Clinical experiences in the southern New Jersey area

Admission Criteria:

- Preferred GPA of 3.3 (Full Consideration given to applicants with a GPA of 3.0 or above)
- Preferred grade of "B" or higher in the following courses: A&P I and II, Chemistry I and II, Microbiology, and English Composition I and II
- Must enroll and complete the CCC CPR 1 credit course, HPE-181 Basic Life Support (BLS), during your last spring semester.
- May only have one science, Microbiology or Chemistry II, incomplete at the time of application.
- Completion of the application form
- Unofficial copy of all college transcripts
- Well-written, brief essay addressing the topic/question asked on the online application form

Admissions Process:

- Applications will be available online October 1, 2022 at <http://nursing.rutgers.edu/blackwood>
- Applications and required materials must be submitted by 11:59 p.m. on February 1, 2023
- Late applications will not be considered

Program Requirements:

This is a full-time program that requires a considerable commitment for class, clinical attendance and preparation.
