Message from the President

Greetings and welcome to Camden County College, one of the premier educational institutions of the Delaware Valley.

Since its founding in 1967, CCC has served hundreds of thousands of students and area residents. Today, the College continues to allow enrollees to prepare for further study at four-year institutions, secure skills for immediate employment or supplement previous education and training. It also serves other community members through recreational learning, informative presentations and diverse cultural programming.

The College’s highly specialized campus locations function in distinct ways to fill the needs of the populations they serve. All of them, however, fulfill the common mission of providing accessible, affordable higher education, occupational study and personal development to all who may benefit.

Camden County College offers more than 100 associate degree and certificate programs in math, science, nursing, health sciences, human services, arts, humanities, social sciences, business, computer and professional studies and technical fields. Classes are available on campus, via distance education, in neighborhood locations and through customized training opportunities in the workplace. In addition, thanks to partnerships with Rutgers University and other four-year institutions, a number of baccalaureate degree programs may be completed on CCC’s campuses.

Consistently ranking among the nation’s top colleges and universities in associate degree completion, Camden County College is here to help you fulfill your educational aspirations. So be sure to review this catalog, visit the College website at www.camdencc.edu – where you can check course schedules and register any time – and tour our campus facilities. On the Blackwood Campus, stop by our Taft Hall Student Services Center, which houses resources such as recruitment, registration, financial aid, academic advisement and tutoring services in one convenient location. For further information about the College, you can check out CCC posts, photos, videos and podcasts via Facebook, Twitter, YouTube and iTunes.

Whether it’s this term or a future term, all of us at Camden County College look forward to seeing you on one of our campuses very soon.

History and College Locations
Camden County College’s mission to provide affordable, high-quality education to local residents was launched when planners purchased the land and buildings that had served as Mother of the Savior Seminary in Gloucester Township in early 1967. That fall, the first class of Camden County College students was taking courses.

This Blackwood Campus site evolved throughout the 1970s, 1980s and 1990s as construction kept pace with growing enrollments and expanding academic offerings. Then, in 2005, the Camden County Freeholders announced an $83 million capital initiative to modernize the Blackwood Campus. This plan included refurbishment of the busiest classroom building, Madison Hall, and construction of the Connector, which links Madison with the Otto R. Mauke Community Center and houses the Center for Civic Leadership and Responsibility. It also featured creation of roads and athletic fields and additional demolition, refurbishment and construction, including the 107,000-square-foot Kevin G. Halpern Hall.
for Science and Health Education that opened in 2013 and renovation of the former science building into the one-stop Taft Hall Student Services Center that opened in 2015. The Blackwood Campus offers a traditional collegiate setting with more than 20 buildings on 320 acres and provides the majority of the College’s academic programs.

The College's presence in the City of Camden began in 1969, when a diploma-completion program was launched in borrowed space to help students prepare to pass their GED test so they could begin college-level courses on the Blackwood Campus that fall. In 1991, a five-story Camden City Campus building – now called College Hall – provided CCC’s first permanent home in the City. The eight-story academic, retail and parking facility known as the Camden Technology Center was added in 2004 as one of the first projects completed under the Camden Municipal Rehabilitation and Economic Recovery Act. Today, the Camden City Campus supports the economic development of the City of Camden and Camden County by providing associate degree studies, workforce training and community meeting space.

Camden County College’s third campus location opened in 2000 as the result of a public/private partnership between CCC, Cherry Hill Township and the William G. Rohrer Charitable Foundation. The William G. Rohrer Center is named to reflect the generosity of the late banker’s endowment and offers core associate degree courses and business and industry training.

In 2011, CCC assumed administration of the Camden County Regional Emergency Training Center and the Camden County Police Academy, both at Lakeland, and the Technical Institute of Camden County, housed on the campus of Camden County Technical Schools in Sicklerville. This development brought all County-funded postsecondary education under the supervision of the College. The Regional Emergency Training Center is a state-of-the-art, environmentally safe site that serves firefighters, emergency medical technicians and other public safety personnel and houses the Camden County Fire Academy and Camden County Police Academy. It offers classroom and hands-on instruction in the most extensive and contemporary array of credit and certification courses available for first responders. The Technical Institute of Camden County offers a wide range of training programs in the most in-demand trades.

Thanks to technology-rich physical resources and well-qualified, dedicated faculty, staff and administrators, Camden County College maintains a tradition of high-quality education and a reputation of agile, responsive service. Each year, the College serves more than 20,000 students through 100-plus degree and certificate programs and hundreds of trade, professional development and personal-interest courses.

Degree, certificate and training programs cover technical fields such as automotive technology and mechanical engineering; health professions such as nursing and medical coding; and liberal arts and sciences such as English and chemistry. There also is a multitude of recreational offerings, ranging from social dancing to computer applications.

All who study, visit or work at the College experience comfortable, safe and attractive settings. These sustain a vibrant academic community that is characterized by imaginative teaching, caring support services, energetic management and collegial discussion of diverse ideas and opinions.

Into the future, Camden County College will continue to enhance the quality of life in Camden County and beyond by preparing students to live, work and thrive in a global economy. The College also will further fulfill its responsibility to the citizens of Camden County, New Jersey and beyond by continuing to create a skilled and stable local workforce; encourage enlightened civic engagement; provide an avenue of social mobility; and serve as a destination for cultural and recreational activities.
College Foundation

Founded in 1992, the Camden County College Foundation was established to enhance the Camden County College tradition of academic excellence and student success by providing additional resources in support of the College.

The Camden County College Foundation Board of Directors is made up of a diverse group of community and corporate representatives committed to advancing the College’s mission. These philanthropic volunteers are dedicated to serving the College by placing public benefit above self-interest. Each Foundation board member contributes resources, time and professional expertise to the Foundation’s initiatives. In doing so, they annually solicit support from the individuals, private foundations and corporate colleagues who share their commitment to ensuring that quality and affordable higher education remains accessible to all in our region. These laws afford equal opportunity to qualified individuals, regardless of race, color, religion, sex, national origin, age, handicap, ancestry, place of birth, marital status or liability for military service in the operation of its educational programs and activities. Decisions on admissions and financial aid are not made on the basis of any of these factors. Rights of Students with Disabilities under Section 504 of The Rehabilitation Act of 1973

Camden County College is committed to complying with the spirit and the letter of legislation, including the Americans with Disabilities Act (ADA) and Section 504 of the Rehabilitation Act of 1973 which provides that:

- No otherwise qualified handicapped individual in the United States shall, solely by reason of handicap, be excluded from participating in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving federal financial assistance. An institution shall make such modifications to its academic requirements as are necessary to ensure that such requirements do not discriminate or have the effect of discriminating, on the basis of handicap, against a qualified handicapped applicant or student.

- Colleges may not discriminate in the recruitment, admissions, or treatment of students. Students with documented disabilities may request modifications, accommodations, or auxiliary aids which will enable them to participate in and benefit from all postsecondary educational programs and activities. Postsecondary institutions must make such changes to ensure that the academic program is accessible to the greatest extent possible by all students with disabilities.

The administration, faculty and staff of Camden County College encourage persons with disabilities to take advantage of the opportunity to participate in educational and co-curricular programs and activities. There are no degree, course or membership requirements that discriminate on the basis of a disability or have the effect of so discriminating. Interested persons are encouraged to request information about the College’s guidelines developed to facilitate the educational experience of those with disabilities. For further information contact the Disability Services Office at (856) 227-2700, ext. 4430. For students who are deaf or hard of hearing, services can be arranged by calling (856) 227-7200, ext. 4506. Questions about the College policy regarding Section 504 of the Rehabilitation Act of 1973 should be directed to the executive dean of enrollment and student services, (856) 227-7200, ext. 4371.
WHO IS PROTECTED UNDER THE LAW?

A “handicapped person” means “any person who has a physical or mental impairment which substantially limits one or more of such person’s major life activities, [who] has a record of such impairment, or [who] is regarded as having such impairment.”

A “qualified handicapped person” is defined as “one who meets the requisite academic and technical standards required for admission or participation in the postsecondary institution’s programs and activities.” Section 504 protects the civil rights of individuals who are qualified to participate and who have a disability.

Diversity and Civility

As an educational institution comprised of individuals from diverse backgrounds, Camden County College is committed to creating an atmosphere that is free from all manifestations of bias and from all forms of harassment, exploitation and intimidation.

As an intellectual community that attaches great value to freedom of expression and vigorous debate, the College condemns expressions of hatred and insensitivity directed against any individual or group. Statements that undermine the civility and sense of community on which the well-being of the college depends; that devalue the distinct contributions of individuals and groups; and that impair individuals’ opportunities to contribute their views and talents to the community have no place at Camden County College.

Not every idea or view expressed on a campus or in a classroom will be popular and acceptable to everyone. But a discussion marked by civility permits everyone to critically weigh the strengths and weaknesses of new ideas and views, understand different perspectives, develop empathy for others and, perhaps most importantly, engage in self-reflection and personal growth.

Questions or complaints about diversity at Camden County College should be directed to the executive director at the Office of Human Resources, Administrative Building, room 106, Blackwood Campus (856) 227-7200, ext. 4221; or the director of the Office of Public Safety, Otto R. Mauke Community Center, Blackwood Campus (856) 227-7200, ext. 4288.

Student Records/Family Educational Rights and Privacy Act (FERPA) Policy

The Family Educational Rights and Privacy Act (FERPA) affords students attending Camden County College certain rights with respect to their educational records. The rights are:

1. The right to inspect and review the student’s education records within 45 days of the day the College receives a request for access. Students should submit to the appropriate College official a written request that identifies the record(s) they wish to inspect. The College official will make arrangements for access and notify the eligible student of the time and place where the records may be inspected. If the records are not maintained by the College official to whom the request was submitted, that official shall advise the student of the correct person to whom the request should be addressed.

2. The right to request the amendment of the student’s education records that the student believes is inaccurate or misleading. Students may ask the College to amend a record that they believe is inaccurate or misleading. They should write the Director of Student System Records, clearly identify the part of the record they want changed and specify why it is inaccurate or misleading. If the College decides not to amend the record as requested by the student, the College will notify the student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent (i.e. directory information). One exception, which permits disclosure without consent, is disclosure to College officials with legitimate educational interests. A College official is a person employed by the College as an administrator, supervisor, instructor, or
support staff member (including security personnel); a person serving on the Board of Trustees; a person or company with whom the College has contracted to perform a special task (such as an attorney, auditor, or collection agent); or a student serving on an official committee, such as a disciplinary or committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the College to comply with the requirements of FERPA. The name and address of the office that administers FERPA are: Family Policy Compliance Office, U.S. Department of Education 400 Maryland Avenue, SW, Washington, DC 20202-4605

Disclosure without Student Consent
1. The College will disclose information to government agencies entitled to such information by law.
2. The College will disclose information in response to a lawfully-issued subpoena.
3. The College will disclose information when necessary to determine the student's eligibility for financial aid or to enforce the terms or conditions of financial aid that a student has received.

Anti-Harassment, Intimidation and Bullying Policy
Camden County College shall provide an academic environment free of harassment, intimidation and bullying, and prohibits any acts of harassment, intimidation, or bullying on any Camden County College property, or at any function sponsored by Camden County College.

The College defines harassment, intimidation and bullying as any gesture, any written, verbal, or physical act, or any electronic communication, whether it be a single incident or a series of incidents, that is reasonably perceived as being motivated either by any actual or perceived characteristic, such as race, color, religion, ancestry, national origin, gender, sexual orientation, gender identity, gender expression, or a mental, physical or sensory disability, or by any other distinguishing characteristic, when these behaviors substantially disrupt or interfere with the orderly operation of the institution or with the rights of students and other constituencies.

The College further holds that these behaviors constitute harassment, intimidation, or bullying when a reasonable person should know under the circumstances that they:
1. Will have the effect of physically or emotionally harming another person or damaging that person's property, or of placing them in reasonable fear of physical or emotional harm to his/her person or damage to his/her property;
2. Will have the effect of insulting or demeaning any student or group of students or College employees or constituencies; or
3. Create a hostile educational environment for a student; or
4. Infringes on the rights of a student at Camden County College by interfering with a student's education or by severely or pervasively causing physical or emotional harm to a student.

Students who engage in acts of harassment, intimidation or bullying are subject to disciplinary action as outlined in the Student Handbook, up to and including expulsion from the College. Copies of this policy shall be posted on the College's website.

Visitors who engage in these acts are subject to penalties as determined by the College and law enforcement officials with jurisdiction over the location in which the offense occurs.

Employees who engage in these acts are subject to disciplinary action including termination of employment as outlined in the College's policies on Code of Conduct, Acceptable Use of Technology, Diversity and Civility, Sexual Harassment, and to penalties as determined by any applicable laws.
Sex Discrimination and Sexual Harassment Policies

TITLE IX POLICY AND PROCEDURES FOR STUDENT SEX DISCRIMINATION

Camden County College is committed to providing a work and academic environment that promotes personal integrity, civility, and mutual respect in an environment free of discrimination on the basis of sex, which includes all forms of sexual misconduct. Sex discrimination violates an individual’s fundamental rights and personal dignity. Camden County College considers sex discrimination in all of its forms to be a serious offense. This policy refers to all forms of sex discrimination committed against students, including but not limited to: unfair treatment based on sex, sexual harassment, sexual assault, sexual misconduct, and sexual violence by other students, employees, or third parties. As such, discrimination can be illegal as a violation of State and Federal law, and may rise to the level of a criminal offense. (See N.J.S.A. 2C:16-1, Bias intimidation.)

What is Title IX?

Title IX of the Education Amendments of 1972 protects people from discrimination based on sex in education programs or activities which receive Federal financial assistance. Title IX states that:

No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance.

Important Definitions and Examples:

• SEXUAL HARASSMENT
It is unlawful to harass a person (an applicant or employee) because of that person’s sex. Harassment can include “sexual harassment” or unwelcome sexual advances, requests for sexual favors, and other verbal or physical harassment of a sexual nature. However, harassment does not have to be of a sexual nature, and can include offensive remarks about a person’s sex. For example, it is illegal to harass a woman by making offensive comments about women in general. Both victim and the harasser can be either a woman or a man, and the victim and harasser can be the same sex. Courts have ruled that even a single incident or threat, if serious enough, can violate the law. Harassment is particularly offensive and illegal when it is so frequent or severe that it creates a hostile or offensive environment or when it results in an adverse student/employment decision (such as the victim being fired or demoted). The harasser can be anyone whether a teacher, a co-worker, or someone who is not an employee of the employer, such as a client or customer, or another student.

• DISCRIMINATION
Discrimination is conduct of any nature that denies an individual the opportunity to participate in or benefit from the college’s program or activity, or otherwise adversely affects a term or condition of an individual’s employment, education, or living environment, because of the individual’s age, race, color, ancestry, national origin, religion, creed, service in the uniformed services (as defined in state and federal law), veteran status, sex, sexual orientation, marital or family status, pregnancy, pregnancy-related conditions, physical or mental disability, gender, perceived gender, gender identity, genetic information or political ideas.

• SEXUAL MISCONDUCT
Sexual Misconduct is a form of sexual harassment and refers to sexual offenses including but not limited to rape, sexual assault, sexual battery, sexual exploitation, sexual coercion or intimidation, and any other forms of nonconsensual sexual activity. Sexual misconduct can be committed by strangers, acquaintances and family members, as well as casual and long-term dating partners. Sexual assault includes, but is not limited to, attempted or unwanted sexual activity, such as sexual touching and fondling. This includes the touching of an unwilling person’s intimate parts (defined as genitalia, groin, breast or buttock, or clothing covering them), or forcing an unwilling person to touch another’s intimate parts.

• CONSENT
Consent must be informed, freely given and mutual. If coercion, intimidation, threats or physical force are used there is no consent. If a person is mentally or physically incapacitated or impaired so that such person cannot understand the fact, nature or extent of the sexual situation, there is no consent. This includes impairment or incapacitation due to alcohol or drug consumption, or being asleep or unconscious. Inducement of incapacitation of another with the intent to affect the ability of an individual to consent or refuse to consent to sexual contact almost always, if not always, negates consent. Silence does not necessarily constitute consent. Whether a person has taken advantage of a position of influence over an alleged victim may be a factor in determining consent.

• SEXUAL EXPLOITATION
Sexual Exploitation includes, but is not limited to, prostituting another person, non-consensual visual or audio recording of sexual activity, non-consensual distribution, including electronic distribution, of photos images or information of an individual’s sexual activity or intimate body parts, non-consensual voyeurism, coercing someone against their will to engage in sexual activity, or knowingly transmitting sexually transmitted disease (STD) without disclosing STD status.

• STALKING
Stalking is a course of conduct directed at a specific person that would cause a reasonable person to fear for his/her safety or the safety of others, or to suffer emotional distress. Stalking may include repeatedly
following, harassing, threatening, or intimidating another by telephone, mail, electronic communication, social media, or any other action, device or method.

**DATING VIOLENCE**

CAMPUS SEXUAL ASSAULT VICTIM’S BILL OF RIGHTS
A college or university in a free society must be devoted to the pursuit of truth and knowledge through reason and open communication among its members. Academic communities acknowledge the necessity of being intellectually stimulating where the diversity of ideas is valued.

Its rules must be conceived for the purpose of furthering and protecting the rights of all members of the college community in achieving this end. The boundaries of personal freedom are limited by applicable state and federal laws and institutional rules and regulations governing interpersonal behavior. In creating a community free from violence, sexual assault, and nonconsensual sexual contact, respect for the individual and human dignity are of paramount importance.

The state of New Jersey recognizes that the impact of violence on its victims and the surrounding community can be severe and long lasting. Thus, it has established this Bill of Rights to articulate requirements for policies, procedures and services designed to ensure that the needs of victims are met and that the colleges and universities in New Jersey create and maintain communities that support human dignity.

BILL OF RIGHTS
The following rights shall be accorded to victims of sexual assault that occur: on the campus of any public or independent institution of higher education in the state of New Jersey; where the victim or alleged perpetrator is a student at that institution; and/or when the victim is a student involved in an off-campus sexual assault.

Human Dignity Rights
Students have the right:
• to have allegations of sexual assault treated seriously;
• to be treated with dignity;
• to be free from any suggestion that
  – victims are responsible for the commission of crimes against them;
  – victims were contributory, negligent or assumed the risk of being assaulted;
  – victims must report the crimes to be assured of any other right guaranteed under this policy;
  – victims should refrain from reporting crimes in order to avoid unwanted personal publicity;
• to be free from any pressure from campus personnel to
  – report crimes if the victim does not wish to do so;
  – report crimes as lesser offenses than the victim perceives the crimes to be; and
• refrain from reporting crimes.

Rights to Resources On and Off Campus
Students have the right:
• to be notified of existing campus and community-based medical, counseling, mental health and student services for victims of sexual assault, whether or not the crime is formally reported to campus or civil authorities;
• to have access to campus counseling under the same terms and conditions as apply to any other students in their institution seeking such counseling; and
• to be informed of, and assisted in, exercising any rights to confidential or anonymous testing for sexually transmitted diseases, human immunodeficiency virus and/or pregnancy and any rights that may be provided by law to compel and disclose the results of testing of sexual assault suspects for communicable diseases.

Campus Judicial Rights
Students have the right:
• to be afforded the same access to legal assistance as the accused;
• to be afforded the same opportunity to have others present during any campus disciplinary proceeding that is allowed the accused; and
• to be notified of the outcome of the sexual assault disciplinary proceeding against the accused.

Legal Rights
Students have the right:
• to have any allegation of sexual assault investigated and adjudicated by the appropriate criminal and civil authorities of the jurisdiction in which the sexual assault is reported; and
• to receive full and prompt cooperation and assistance of campus personnel with regard to obtaining, securing and maintaining evidence, including a medical examination when it is necessary to preserve evidence of the assault.

Campus Intervention Rights
Students have the right:
• to require campus personnel to take reasonable and necessary actions to prevent further unwanted contact of victims by their alleged assailants; and
• to be notified of the options for and provided assistance in changing academic and living situations if such changes are reasonably available.

Statutory Mandates
• Each campus must guarantee that this Bill of Rights is implemented. It is the obligation of the individual campus governing board to examine resources dedicated to services required and to make appropriate requests to increase or reallocate resources where necessary to ensure implementation.
• Each campus shall make every necessary effort to ensure that every student at that institution receives a copy of the Campus Sexual Assault Victim’s Bill of Rights.

Nothing in this act or in any Campus Assault Victim’s Bill of Rights developed in accordance with the provisions of this act shall be construed to preclude or in any way restrict any
public or independent institution of higher education in the state from reporting any suspected crime or offense to the appropriate law enforcement authorities.

In accordance with the Student Right to Know and Campus Security Act/Clery Act, the College annually makes available information on graduation, completion and transfer-out rates, as well as information on campus safety and security, including crime statistics.

A copy of each report can be found by clicking on the HEOA/Consumer Information link at the bottom of the College's home page at www.camdencc.edu.

**Emergency Notifications**

Every student is urged to participate in the Camden County College “Cougar Call” telephone and text messaging system. “Cougar Call” is a program where faculty, staff and students register to receive emergency notifications and other important information, including weather related closings.

When students participate in this free service, the College will be able to contact them at a moment’s notice, providing important information, first hand, in the event the College will close for inclement weather or if an unforeseen event is affecting any campus.

Whenever contact information changes, the student must update the system. The student may opt-out at any time. It is recommended that everyone check his/her wireless phone provider regarding costs for incoming text or phone messages. All information provided is completely confidential and will not be released to other providers.

To be sure the student is registered please complete a Request for Cougar Call online registration form at any Public Safety Office. For questions about the “Cougar Call” system, please call the Office of Public Safety at (856) 227-7200, ext. 4288. To register now for “Cougar Call” or if you are not receiving messages, send an e-mail to nhixon@camdencc.edu.

When classes are delayed one hour, the College will officially open at 9 a.m. When classes are delayed two hours, the College will open at 10 a.m. When there is a two-hour delay, classes are canceled that cannot meet for the regularly scheduled time. Thus, a 10 a.m. class would meet, but a class scheduled to start at 9:30 a.m. would not.

In some instances, day classes are canceled, but evening classes are held because conditions permit. It is important for evening students to listen for the 2559 closing number.

Student Rights and Responsibilities
The central functions of an academic community are learning, teaching, research and scholarship. Students at Camden County College have joined a community dedicated to student success and, ideally, characterized by free expression, free inquiry, intellectual honesty, respect for the dignity of others and openness to constructive change. The rights and responsibilities exercised within the community must be compatible with these qualities for all members.

Camden County College places emphasis upon certain values which are essential to its nature as an academic community. Among these are: freedom from personal force; freedom from violence or intimidation; freedom of movement. Interference with any of these freedoms must be regarded as an unacceptable violation of the rights upon which the community is based. Furthermore, although the administrative processes and activities of the College cannot be ends in themselves, such functions are vital to the orderly pursuit of the work of all members of the College. Therefore, interference with members of the College in the performance of their normal duties and activities must be regarded as unacceptable obstruction of the essential processes of the College.

Theft or willful destruction of property belonging to Camden County College or its members must also be considered a serious violation of the rights of the community as a whole. Physical violence or the threat of physical violence is considered to be an intolerable violation of the rights of the entire community. It is the responsibility of each individual member of this academic community to maintain an atmosphere in which such violations of rights are both prohibited and universally denounced.

The College has a Code of Conduct to which students are expected to adhere. There is also an established procedure for student disciplinary hearings and appeals. The Code of Conduct and hearings procedures are detailed in the Student Development and Support/Student Code of Conduct, Disciplinary Hearings & Appeals section of this publication, and is accessible on the College website at www.camdencc.edu.

Student Complaints or Grievances
The executive dean of enrollment and student services advocates for student needs and provides student support and coordination of programs to help cultivate and develop student success, wellness and personal growth while attending Camden County College.

The Office of the Executive Dean of Enrollment and Student Services is located in Taft Hall at the Blackwood Campus. If you have complaints, concerns or grievances related to non-academic issues, this office is here to assist you. Contact (856) 227-7200, ext. 4371 for assistance.

Student Identification Cards
Students are required to obtain new photo identification cards upon registration for classes. Returning students need to update their photo identification card at the start of each semester. Identification cards and updates are available only at the Public Safety Offices located on the Blackwood Campus, Camden City Campus and at the William G. Rohrer Center.

The ID card is the student’s official College identification and should be carried at all times. The ID card is required in order to attend athletic events, theatre performances, student activities, cultural/social events and to use other College facilities, such as the library and computer labs, and to purchase textbooks at the College bookstore if charges are being paid by a third party or financial aid. While on campus, students must present this ID card to any College official, Public Safety Officer or police officer when requested to do so. This ID card will also enable the student to take advantage of student discounts at many businesses and institutions. College identification is a crucial form of identification. Student identification cards remain the sole property of the College.

To obtain a student photo identification card, all students must present verifiable photo identification, such as a state-issued ID photo driver’s license, and a current class schedule with name and information that matches the presented identification. If a student cannot produce a valid state driver’s license, other forms of identification that may be accepted are military photo identification, a current foreign passport, recent secondary school photo identification or a county/state
photo resident card. If the student is unable to present the required identification or if the information provided cannot be verified with supplemental information, the Public Safety Department has the right to refuse to issue a college identification card. In this event, the student will be referred to the appropriate agency to obtain the required documentation to submit for his/her identification. Students should promptly report the loss of ID cards to the Public Safety Department. Although the first card is free, there is a $5 charge to replace any lost or stolen ID card.

Access for Worship or Reflection
Because Camden County College is a public institution it does not advance the mission or philosophy of any particular religious group but is ecumenical in its approach to religious beliefs. Accordingly, the College does not assign or schedule its rooms or spaces for the purposes of worship or prayer by student groups representing any particular religious affiliation. Recognized, authorized student clubs or organizations can schedule rooms for meetings according to College procedures. Students who seek a quiet place on campus for prayer or contemplation can gather in a classroom that is not being used, provided they do not disrupt activities in nearby classrooms and they leave the room when it is required for a scheduled class or activity. If assistance is needed in locating an available appropriate space students can contact the Assistant Dean for Student Development and Support, Jacqueline Tenuto, (856)374-5088 or jtenuto@camdencc.edu.

Acceptable Use of Information Technology
In support of Camden County College’s vision of preparing students for leadership in society, expanding access and meeting the emerging learning and training needs necessary for concerned citizenship, the College maintains technology systems that allow students to pursue academic excellence and innovation through technology. The intent of this Acceptable Use Policy is to lay out responsibilities and guidelines for all students, alumni, and the public (users) of information technology at Camden County College. This policy will be included in the Student Handbook and placed on the College website at http://www.camdencc.edu/oit/upload/Acceptable_Use_of_Tech_2014.pdf and http://www.camdencc.edu/oit/upload/Stu-dent-Responsibilities-And-Acceptable-Use-of-Information-Technologies.pdf. If the following policies are violated, disciplinary procedures and the appeal process as outlined in the Student Handbook under Code of Conduct: Student Disciplinary Hearings and Appeal Procedures will be invoked. Those violating this policy may face penalties that include restrictions on their use of technology or more severe sanctions if circumstances warrant. In keeping with the tradition of the College and scholarly practice, all technology users are expected to uphold high ethical standards and adhere to the policy guidelines outlined below. In addition to this policy, academic areas may have supplemental computing policies for specific labs and/or classrooms.

Awarding of Transfer Credit

Credit for Prior Learning
Students attending Camden County College may earn college credit for a variety of learning experiences that were achieved outside of the traditional college setting. For example, students who can document knowledge acquired while in the military, workplace, advanced courses in high school, or non-traditional coursework may submit official documentation for an evaluation or request a test that demonstrates college knowledge in a particular area. Once the evaluation process is completed, the following policies will govern the granting of credit for college-level knowledge acquired outside the classroom:

- All required remediation and all prerequisites must be satisfied before credit will be given.
- Only matriculated students are eligible, and they must use the credit to satisfy a requirement in their curriculum.
- Credit for specific Camden County College courses will be included on the student's transcript. (No letter grade is given; GPA will not be affected.)
- Students receiving educational experience credit must complete at least 30 credits in Camden County College courses to receive a degree.
- Credit will be guaranteed as Camden County College credit only. The student should investigate transferability.

Note: Students who wish to achieve credit this way should look closely at the credits needed to finish their degree, and how their prior learning experiences may satisfy some of the courses they are required to take.

Proficiency Exams and Credit by Assessment

- Advanced Placement Testing (AP)
- College Level Examination Program (CLEP)
  The College-Level Examination Program enables students to earn college credit by passing examinations for knowledge acquired through formal and informal study, employment, non-credit courses, military, industrial and business training.
- Dantes Subject Standardized Tests (DSST)
  These tests enable students to earn credit by passing examinations for knowledge acquired outside the traditional classroom.
- Apprenticeship to College Credit (NJPlace) Apprentice-ship to College Credit Handbook
- Credit by Exam /Student Portfolio
  A matriculated student may earn credit by assessment either by taking an examination or by developing a student portfolio. Both methods give the student an opportunity to achieve college-level credit for selected courses offered at Camden County College.

- National Agency Recommendations (including ACE and NCCRS)
- Military Experience
  The College grants credit for coursework taken in the armed services based on recommendations of the American Council on Education (ACE).

Transfer of Credit
Students who have attended or are attending a regionally accredited college or university must provide official transcripts of all previously attempted college credits if they are applying to a selective program OR want to have previous college credit evaluated for transfer OR need to document completion of a course prerequisite. The Records and Registration Office will evaluate and grant transfer of credit upon admission to the College.

Courses completed at regionally accredited colleges or universities (and from properly accredited programs) with a grade of C (or equivalent) or above will be evaluated for transfer provided that the course is compatible with the curriculum of Camden County College, as approved by the faculty, and the course is applicable to the requested program of study.

Transfer students must complete at least 30 credits in Camden County College courses to receive a degree. Grades received at other institutions will not be used in computing the cumulative grade point average at Camden County College.

International students who wish to transfer credits earned in their home countries have the responsibility of having their transcripts evaluated by the American Association of
Collegiate Registrars and Admissions Officers (AACRAO) International Education Services or an evaluator of foreign credentials that is a member of the National Association of Credentials Evaluation Services (NACES), such as World Education Services; and submitting the evaluation to the Office of Records and Registration.

Camden County College reserves the right to deny inappropriate credit requests.

Times, Location, Format of Classes
The College offers classes at the Blackwood and Camden City Campuses, at the William G. Rohrer Center in Cherry Hill and at several local high schools in Camden County. To meet the needs of a diverse college community, the College provides courses in varied formats, encompassing the needs of both traditional and nontraditional students. Classes are offered in full-semester, mini-session and online formats. The semester schedule of credit classes identifies the classes, the locations and the formats.

ACADEMIC YEAR
The traditional academic year at Camden County College consists of two, 15-week semesters from September to December and from January to May, and three summer sessions through June, July and August. In addition to regular day classes, the College offers a variety of times, places and formats to meet the needs of students for alternate class scheduling.

MINI-SESSIONS
In an effort to meet the diverse needs of Camden County residents, the College offers mini-sessions during the fall or spring semesters. These classes are available at a number of locations, including Campuses, the William G. Rohrer Center and several off-campus and neighborhood sites. While these sessions meet fewer times per semester, each class session is longer, and each class carries the same number of credits as those offered in the regular day and evening sessions.

SUMMER SEMESTER
The summer semester is designed to meet the needs of students already enrolled in the College, students attending other colleges and new students. Students planning to enroll full time in the fall semester are encouraged to take courses in their areas of interest and/or need during the summer. Day courses are conveniently scheduled from Monday through Thursday; evening courses meet on a similar schedule but may meet Tuesday through Thursday. Three five-week sessions, a seven-week session, an eight-week session and online sessions...
are offered, as well as other sessions. The first five-week session usually begins in late May and runs through June. The second five-week session usually begins the last week in June/first week in July and concludes in early August. The third five-week session begins in mid-July and ends in mid-August. The eight-week session begins at the same time as the first five-week session, usually in late May. The College also offers weekend and online sessions with varying beginning and ending dates.

**WINTER INTER-SESSION**

Students can earn three (3) credits in as little as three weeks. Classes are offered at all three campus locations and online. On-campus classes meet Monday through Friday from 9:30 a.m. until 12:30 p.m. for three weeks between the fall and spring terms. The online session lasts five weeks. It begins in early January and ends in late January.

**EVENING CLASSES**

Evening classes are held Monday through Thursday during the fall, spring and summer semesters. It is possible to earn an associate degree in a variety of academic areas or to earn various certificates by attending classes only during evening sessions. In order to meet the needs of evening students, the following offices maintain selected evening hours:

- Academic Advisement Center
- Blackwood Campus Learning Resource Center
- Blackwood Campus Bookstore
- Business Office
- Cafeteria
- Computer Laboratories
- Dean’s Offices
- Financial Aid
- Paul Robeson Library at Rutgers in Camden City
- Admissions, Records & Registration Services
- Testing
- William G. Rohrer Center E-Library in Cherry Hill

**DISTANCE LEARNING**

Distance education, accessing educational opportunities at the student’s convenience without the normal constraints of time and place, is changing the face of higher education. Camden County College offers over 120 accredited online courses and hybrid/blended courses across all disciplines. Distance learning students tend to have complex schedules and need to spend a minimum amount of time on campus. Online and hybrid/blend courses provide flexibility to focus on other aspects of life. Distance education students must be self-motivated, possess basic computer skills, enjoy working independently, and have access to the internet. Students interested in taking distance learning courses should access the Distance Learning link on the College website at www.camdencc.edu/online.

Online

Online classes (OL) allow students the flexibility of learning anywhere and anytime. All instruction, coursework, and testing is done online via the College’s learning management system (unless specified in the professor’s syllabus). Students interact with their professor and classmates in a virtual classroom by participating in forum discussions and live conferencing.

**Hybrid/Blended Courses**

Taking advantage of the latest technology, Camden County College has designated some of its courses as hybrid/blended (HB) courses. Students meet with the professor face-to-face approximately half of the time as traditional classes. The rest of the coursework is done online via the College’s learning management system. This is an excellent option for students who prefer regular interaction with their teacher and classmates, or are hesitant about a fully online class.

**OFF-CAMPUS COURSES: CLASSES IN THE NEIGHBORHOOD**

Many evening classes are scheduled each semester at several convenient community education centers throughout Camden County. Each semester, classes are announced in the Credit Schedule of Classes. For further information contact the Division of School, Community and Workforce Training Programs at (856) 227-7200, ext. 4530.

**Enrollment Status: Full-Time/Part-Time**

A part-time student is one who is enrolled in at least 6 credits, but less than 12 credit hours per semester, while a full-time student is one who is enrolled in 12 credits or more, per semester. Full-time students desiring to carry more than 19 credits per semester must receive overload approval from their academic dean.

**Admissions Categories**

The College recognizes the following categories of students as either part-time or full-time:

**MATRICULATED**

These are students who have met requirements for admission, including submission of an Application for Admission, and have been officially accepted in programs of study leading to a degree or certificate.
NONMATRICULATED
These are students who submit an Application for Admissions form and indicate that they are not seeking a degree or certificate, including underaged students, and students taking credit courses for personal interest, career advancement, enrichment or transfer to another institution where they are matriculated.

NON-CREDIT
These are students taking credit-free programs of varying lengths for purposes of personal enrichment, career advancement or professional continuing education.

Class Membership/Grade Level
Students’ class membership is determined by the number of degree credits accumulated. A first-year or freshman student is one who has satisfactorily completed up to 30 of the credits required in a degree program. A second year or senior student is one who has satisfactorily completed 31 or more of the required degree credits.

Coursework Evaluation and Testing
Exams, quizzes, papers, term papers, final examinations and the like are all part of a college education. They help students study and learn. They help teachers evaluate what is being taught and what is being learned. Tests are usually determined by the individual instructor, who determines what is to be tested or measured, how it is to be measured, and how long students will have to complete each assignment. Sometimes faculty teaching the same course may agree upon and administer common exams: this is the case in all reading, writing and mathematics skills classes.

Student with certain disabilities may request, through the Disability Services office, a letter that will let the faculty know that they are eligible to receive additional time for certain assignments.

Students who miss a quiz or exam may make up the missed exercise with the professor's permission. If this test or exercise is to be proctored by the Testing Center, arrangements must be made with the Testing Center by the professor. The Testing Center has established a systematic procedure to administer make-up tests. Tests will be given under controlled conditions according to a published schedule available in the Testing Center. The schedule may be found on the Camden County College website, www.camdencc.edu. Students must bring their current student photo ID card to the testing session. No books, notes, calculators, dictionaries or other aids are permitted unless specifically indicated by the instructor.

Social Security Number/Unique ID Number
For any U.S. citizen or permanent resident who enrolls as a student at Camden County College, provision of the Social Security Number (SSN) is required to meet federal and state reporting mandates and for debt collection. The College will not disclose your SSN without your consent to anyone outside the College except as required by law and will make every effort to protect your privacy. Students applying for financial aid cannot receive any federal or state aid without a SSN.

If a student needs to correct the SSN on file at the College, he/she must present their official Social Security Card from the U.S. Social Security Administration and complete a Change of Social Security Number form. Forms are available online and in the Office of Admissions, Records & Registration Services.

Once enrolled, each student at Camden County College will be assigned a permanent ID number that will be used to identify them for all internal College processes and for access to Web services. It is highly recommended that students remember and use this number when completing forms and making record inquiries.

Student Health Insurance
As of the Fall 2014 Term (academic year 2014-15), Camden County College does not require that a student participate in a college sponsored health insurance plan nor does it require proof of same for general attendance requirements. (However, please be aware that certain programs, internships and clinical practicums do require both professional and health insurance and proof of personal health insurance.)

However, with the passage of the Federal Patient Protection and Affordability Care Act (PPACA), all citizens must have insurance coverage through a PPACA compliant plan or they will be subject to tax fines beginning in January of 2014. In response, the Federal Government has established health insurance exchanges that allow families and individuals, who need health insurance, to compare coverage and related costs among a variety of insurance companies.

The options for a Camden County College student in New Jersey are several and require some research in order to obtain the greatest value.

Option 1: Dependent to Age 26 Coverage
The Federal Law referenced above (ACA) guarantees you can maintain coverage. The Dependent to 26 law was enacted in March of 2010 and allows all children to stay on their parents health insurance plan up until the age of 26. If you your parents already are paying for a parent/child or family health insurance contract, there will be no change in premium for them. If they are single or two adults now and need to add you, then they will pay an increase in premium. The health insurance benefit coverage for college students is seamless and many times the parents do not have to pay an increased health insurance premium. Additional information about this can be obtained through either the United States Department of Labor or the New Jersey Department of Banking and Insurance.
Option 2: Dependent to Age 31 Coverage

New Jersey law requires Dependent to Age 31 coverage which permits young adults to continue being covered by health insurance up until age 31. These benefits can kick in after the adult ages out of the Dependent to 26 plan. There are some eligibility restrictions so check out the resource pages below for all of the information. This health insurance for college students is priced at a reduced rate compared to the group plan. In many cases, you will pay about 30% less that what a single employee would pay on the group. You will be billed directly to your home and while you are still technically part of your parent’s group plan, you don’t show up on their statement. You can stay on the plan until age 31 and get a 30% discount on the insurance. Seek more information at NJ DOBI Coverage for Young Adults up to Age 31.

Option 3: COBRA and NJ Continuation of Health Insurance Coverage

For college students needing health insurance coverage that have exhausted options one and two, you still have the option of continuation of coverage through state and government programs. In most cases, you can continue your health insurance plan for an additional 18 months and sometimes up to 36 months. The premium will be dependent upon the single rate of whatever your previous health insurance cost before plus an additional 2%. The primary benefit is that you can keep your same policy for an additional period without making any changes. For more information can be found at US Dept. of Labor – COBRA New Jersey Continuation Everything you Ever Wanted to Know about NJ Continuation Coverage.

Option 4: Individual Health Insurance Coverage

Individual coverage is offered through the state of New Jersey. The plans between the carriers are very similar and are offered on a guaranteed issue basis. These are priced based on your age, sex, and location and can vary from as low as $200-$350 per month up to $600 per month based on the plan. These policies are guaranteed issue so you can purchase them regardless of your medical condition.

Students should first determine if they are eligible for extended dependent coverage under a parent’s health insurance plan. The next step requires the student to access the health insurance exchange for your state. For New Jersey and most other states that would be www.healthcare.gov. Students will need to provide evidence that they were covered by a credible health insurance plan.

The coverage now available through the exchanges will provide healthcare insurance through December 31. Beginning November 15, the open enrollment period for the following year’s health insurance policy will begin and students will need to apply to continue coverage.

If the enrollment period is closed and the student wishes to purchase an individual policy, they should contact Student Services for details about arrangements to do so.

Student Immunization Requirements

New Jersey State Law (N.J.A.C. 9:2-14; Title 18A:61D-1 and D-9) requires that New Jersey colleges and universities maintain records of students’ immunization against measles, mumps, rubella (MMR) and hepatitis B. All new students who are enrolling for 12 or more credits are affected by this regulation and will be required to present documented proof of immunity. Students born before 1957, students participating in online or off-campus classes exclusively and students who attended a secondary school in the state of New Jersey are exempt from this regulation. Under certain circumstances, students may be exempt because of medical or religious reasons. However, students must provide the required certification or documentation in order to substantiate such exemptions.

Students affected by these regulations will receive more detailed information and any required forms from the executive dean of enrollment and student services. The College does not provide immunizations. Students should refer to their regular sources of medical care or such medical services as provided by public agencies for any necessary immunizations.

Non Degree-Seeking Students

Applicants seeking non-matriculated status must complete an Admissions Application prior to the time they register for classes. Students should indicate that they do not intend to earn a degree or certificate on the Admissions Application.

Non-Credit Career & Technical Institute of CCC Students

Non-credit courses, workshops and seminars provide enjoyable, educationally rewarding experiences with an emphasis on learning in an informal, relaxed atmosphere. There are no admission requirements; courses are open to any interested adult
individual. Some courses are open to children; however, it is advisable to call to check before registering a child under 18.

Selective Admissions and Capped Enrollment

Admission to the following specialized programs is subject to additional criteria, restrictions and deadline dates listed in the Programs of Study section of this publication:

- GMA.AAS Automotive Technology: GM/ASEP

These programs have limited enrollment, as well as specific requirements that must be satisfied before acceptance. General admission into the College does not guarantee acceptance into these restricted programs. Students interested in the dental hygiene program are urged to complete admission procedures during the fall preceding the September in which they anticipate entering Camden County College.

Students in the cooperative nursing program are admitted by a joint admissions committee; therefore, application must be made to both the College and the individual school of nursing.

International Students

The College's Office of ESL/International Student Services provides a variety of services for international students and for those for whom English is a second language, including advising, registration, international student admissions and required reporting to the United States Customs and Immigration Services (USCIS). Camden County College is authorized by the United States Customs and Immigration Services (USCIS) to issue I-20s to international students in F-1 visa status. International students are required to obtain the proper documents from the College before they begin their studies, and they must observe USCIS and College regulations regarding full-time status and satisfactory academic progress. The ESL/International Student Services Office facilitates the acquisition of an I-20 and assists those holding other non-immigrant visas with changing their status to F-1. All I-20 applicants must submit/comply with the following:

- a Camden County College Admissions Application;
- a Camden County College International Student Application;
- Secondary school diplomas;
- College/university transcripts (if any) evaluated by American Association of Collegiate Registrars and Admissions Officers' (AACRAO) International Education Services or an evaluator of foreign credentials that is a member of the National Association of Credentials Evaluation Services (NACES);
- Copies of passport information page, visa, both sides of I-94 card, and Notice of Approval if the student changed his or her status since last arriving in the United States of America;
- housing documents to verify local accommodations in the United States; CCC does not have dormitories and cannot assist students in making living arrangements;
- an affidavit of support, completed and notarized; and documents to verify financial support (recent bank statements, tax returns, etc.).

All accepted students will be tested for English and mathematics proficiency. International students wishing to transfer credits earned in their home countries have the responsibility of having their transcripts evaluated by an NACES or AACRAO-recognized evaluator of foreign credentials and submitted to the Office of Admissions, Records & Registration Services. After receipt of all documents, an international student advisor will review the application. Students who are not U.S. citizens or permanent residents will be charged the international tuition rate as approved by the College’s Board of Trustees. All accepted I-20 applicants are required to deposit $3,500 with the College as one condition for being issued the Form I-20. These funds will be used to offset the first semester’s College costs. This deposit will be refunded if an applicant is denied a visa or change of status, minus any expenses incurred by the College.

Since international students are neither U.S. citizens, nor eligible non-citizens, they are not eligible for financial aid. More information can be obtained by calling (856) 227-7200, ext. 4543.
SPECIAL NOTE TO INTERNATIONAL STUDENTS
Due to recent changes in immigration laws, all international students are now required to register for classes and make any course changes in person at the Office of ESL / International Student Services, located on the third floor of Taft Hall on the Blackwood Campus. It is strongly recommended that you make an appointment by calling (856) 227-7200, ext. 4543. Register early!

Re-Admission
Students who have not attended the College for at least five years must apply for re-admission through the Office of Admissions, Records & Registration Services. To be readmitted, students will be required to: (1) complete an Application for Admission, and (2) provide an official academic transcript from any college or university previously attended (if applying for a selective program or if desiring to transfer credits). Students who did not complete college-level English or mathematics will be required to take the ACCUPLACER® college placement test. Students separated from the College for at least five years and wishing to re-enroll may be eligible for Academic Forgiveness. Under the Academic Forgiveness policy, all grades will remain on the transcript; however, grades prior to Academic Forgiveness will not be included in the calculation of the grade point average (GPA). (Refer to Academic Forgiveness section.)

College Placement Testing
Most full-time and part-time students are required to take the ACCUPLACER® college placement test before enrolling in classes. The test is designed to measure skills in English and mathematics. DESCRIPTION OF THE TEST
ESL ACCUPLACER is an internet based, computer adaptive test, and consists of a timed 60 minute essay and untimed multiple-choice sections of 20 questions for Reading and Listening. On the day that you take the ESL Accuplacer, you might also take the math portion of the test as well. There are two math tests, the first is Elementary Algebra and the second will be based upon how you do on the Elementary Algebra test, either Arithmetic or College Level Math. These are also in multiple choice format.

The multiple choice tests are adaptive, which means that the computer automatically determines which questions are presented based on responses to prior questions. Because the test is set up this way, every question must be answered in order, and changes to an answer must be done before moving to the next question. Questions cannot be left out or returned to later for the purposes of changing an answer. Since the multiple choice tests are un-timed, each question can be given as much thought as necessary before selecting an answer.

TEST FORMAT
ACCUPLACER presents one question at a time. Each page presents the question and several possible answer choices. The page may include additional information that is needed to answer the questions, such as a reading passage, a picture or a table of information.

GUESSING
If the answer is not immediately apparent or unknown, try to eliminate one or more of the choices and answer what appears to be the best choice.

CALCULATORS AND DICTIONARIES
No personal or online dictionaries are permitted. When you do the math section, there is an internal pop-up calculator that can be used on some questions, but not all. No personal or other online calculators can be used.

ACCESSIBILITY WIZARD
This feature can be used to help students with visual disabilities by increasing the font, and changing the background and cursor color and line spacing. Students can use this by clicking on the icon at the bottom left-hand corner of the screen.

BEFORE THE TEST
In order to concentrate better, it’s a good idea to get plenty of rest and eat before taking the test. Take the sample test before testing, and please bring a current photo ID to the Testing Center.

ESL READING SKILLS
The ESL Reading Skills test measures a student’s ability to read English through the comprehension of short passages. Specifically, it assesses your comprehension of short passages. It contains brief passages of 50 words or less and moderate length passages of 50 to 90 words. Half of this test contains straightforward comprehension items (paraphrase, locating information, vocabulary on a phrase level, and pronoun reference). The other half assesses inference skills (main idea, fact versus opinion, cause/effect logic, identifying irrelevant information, author’s point of view and applying the author’s logic to another situation).
ESL LISTENING
The ESL Listening test measures the ability to listen to and understand one or more people speaking in English. Conversations take place in a wide range of locations including lecture halls, grocery stores and libraries. When doing the ESL Listening Test, you will hear the passage, followed by the question, and the answer choices. You will have the ability to listen to each part an additional two times.

ESSAY - WRITEPLACER ESL
The WritePlacer test measures your ability to write effectively, which is critical to academic success. You will be given a holistic score that represents how clearly and effectively you expressed your position. The following four characteristics of writing will be considered:

- Word Use – The extent to which you are able to use a wide range of words and phrases accurately.
- Sentence Use - The extent to which you are able to use a variety of sentence patterns with both independent and dependent clauses.
- Grammar - The extent to which you are able to express ideas using grammatically correct English.
- Organization and Development - The extent to which you are able to focus on the assigned topic and to develop ideas clearly.

ELEMENTARY ALGEBRA
The test includes operations with integers, rational numbers and algebraic expressions. Questions include problems in solving systems of linear equations, solving quadratic equations by factoring, solving verbal problems presented in algebraic context, geometric reasoning, translating written phrases into algebraic expressions and graphing.

ARITHMETIC SKILLS
This test measures students’ ability to perform basic arithmetic operations and to solve problems that involve fundamental arithmetic concepts. It includes operations with whole numbers, fractions, decimals and percentages. Questions include rate, percent, measurement and geometry problems as well as problems requiring the distribution of a quantity into its fractional parts.

COLLEGE LEVEL MATHEMATICS
This test assesses proficiency from intermediate algebra through pre-calculus. Six categories are covered: Algebraic operations; solutions of equations and inequalities; coordinating geometry; applications; functions; and trigonometry.

Registering for Classes

METHODS OF REGISTERING

Students may register for classes by Internet, mail, fax or in person. Online registration via WebAdvisor is encouraged for efficiency and convenience. Students are assigned a user ID and password to access WebAdvisor. More information is available on the College website at www.camdencc.edu.

Regardless of the method chosen, payment of tuition and fees is required at the time of registration (except during priority/early registration periods). The opportunity to mail or fax a registration usually ends before the beginning of the semester and before the deadline for other forms of registration. Registrations that are mailed or faxed are processed within three business days after they are received. (See the Payments section for information on installment plans.) Installment plans are not available for the summer semester. Exact registration dates and deadlines can be found in semester tabloids or on the College website. For further information, contact the Office of Admissions, Records & Registration Services at (856) 227-7200, ext. 4200 or by fax at (856) 374-4917.

Auditing
Students may choose to audit a class. To audit a class is to register and pay for a class without having to take tests, quizzes or examinations. The student who audits a class should attend class regularly but receives no grade or credit. If an auditing student receives financial aid or veteran’s benefits, the audited course does not count towards eligibility. Students must declare their intention to audit a class within the first two weeks of class. This may be done at the time of registration for the course, or by completing a Request to Audit form.

Cancellation of Course Section
The College reserves the right to cancel any course or course section where the enrollment does not warrant the carrying of that course.

Changes In Enrollment/Schedule
Students who wish to make changes in their class schedules (drop/add) should refer to the Credit Schedule of Classes or contact the Office of Admissions, Records and Registration Services at (856) 227-7200, ext. 4200 for information regarding times, dates and procedures including deadlines for each session. In all cases, students must use the online process, or complete a Credit Registration/Drop-Add Form. The Credit Registration/Drop-Add Form can be secured from the College’s website at www.camdencc.edu, from the Office of Admissions, Records & Registration Services in Taft Hall on the Blackwood Campus, from the administrative offices on the second floor of the Camden Technical Center or from the Information Desk at the William G. Rohrer Center in Cherry Hill.

If a course section is canceled (usually due to low enrollment), students may enroll in another section of the same course or another course or they may obtain a refund. Students may make schedule adjustments that involve dropping course sections up to the 10th day of class (for a 15-week session) or the 10th day equivalent (for shorter sessions). No grade will be issued for these dropped classes, and the transcript will bear no record of the classes dropped, provided students process the adjustments according to officially prescribed procedures. Students may usually add a class to their schedules if only one class meeting has been missed. After a class has met more than once, addition of a class may be denied, or may be allowed with the permission of the instructor or area dean. Under normal circumstances, no schedule adjustments will be permitted after the late registration deadline for the session in which the classes are scheduled. In the case of mitigating circumstances, approval from the appropriate academic dean is required for the changes to be processed. These special approved changes must be made in person using a Credit Registration/Drop-Add Form.

Once the session begins, a fee of $25 is assessed each time a student makes a schedule adjustment of adding a course. There will be no $25 processing fee for schedule adjustments made because of course sections canceled by the College. Students will be required to pay any additional tuition and fees for an added course. Tuition for dropped courses is subject to charges according to the College’s refund policy.

COURSE WITHDRAWAL PROCEDURE:
A student wishing to withdraw from a course between the third week and the end of the eighth week of the 15-week term, or its equivalent, has the right to do so. To withdraw, a student must fill out a Withdrawal form and submit it to the Office of Admissions, Records and Registration by the published withdrawal deadline. An instructor’s signature is optional and is only needed to verify the last date of attendance, not to approve or deny the withdrawal.* The student is responsible for obtaining the instructor’s signature and returning the form to the Office of Admissions, Records & Registration Services. If the instructor’s signature and/or the last day of attendance is not completed, the Office of Admissions, Records & Registration Services will enter the date the form is submitted. When the Withdrawal form is processed, a grade of W is assigned. This W will become the verified final grade. Students cannot use WebAdvisor to withdraw from a course. Students are not permitted to withdraw from courses in which they receive an attendance grade of XA. After the end of the eighth week of classes, or the equivalent academic period for shorter sessions, no grade of W will be given unless there is formal medical or emergency withdrawal from the College documented through the executive dean of enrollment & student services. There is no refund of tuition and fees after the 10th day of the 15-week session, or the equivalent academic period for shorter sessions.

*Although a student is not required to obtain an instructor’s permission to withdraw, it is strongly recommended they consult their instructor about their progress and other possible options.

WITHDRAWAL FOR ACTIVE DUTY
In support of national security initiatives, Camden County College will provide students in the National Guard or the Reserves, who are required to report for active duty, the opportunity to complete their studies or to withdraw from classes without penalty. To receive this special consideration, students will be required to provide documentation of their status and complete a Tuition Credit Appeal form. Each student request will be handled on a case-by-case basis in an effort to facilitate a solution that will be in the student’s best interest. Students who must withdraw in the early part of a semester will be granted tuition/fee credit on their account or a full refund of tuition. Students who withdraw in the latter part of a semester will be encouraged to take a grade of I and to complete course requirements according to arrangements with individual professors. The Office of Veteran Services will serve as the contact
point for facilitating these withdrawals. The following outlines the necessary steps for the student to follow:

1. **Complete a Withdrawal form and a Tuition Refund Appeal form.** Attach documentation of summons to active duty and a written statement of the special consideration requested;

2. **Submit forms to the Office of Veteran Services; and**

**Financial Aid**

Camden County College’s Office of Financial Aid offers a variety of financial aid programs designed to assist students in making their educational expenses an attainable goal. The Office of Financial Aid assists students with the in application process and securing a financial aid package that is based on their individual need in the form of grants, loans, and work study.

The college requires all students interested in financial aid to complete the Free Application for Federal Student Aid (FAFSA); the application is used to determine students’ eligibility. The FAFSA needs to be completed annually and should be done as soon as possible after October 1 of each year to ensure consideration for all types of aid. Some funds are limited and are offered on a first-come first-served basis and there are Federal and State deadlines that must be met. Additional information about the financial aid process is available on the College website.

**APPLYING FOR FINANCIAL AID**

All applications for financial assistance begin with the students filling out a Free Application for Federal Student Aid (FAFSA) form. The fastest method to file the FAFSA is electronically at www.fafsa.ed.gov. Camden County College’s federal school code number is 006865. The College’s website at www.camdencc.edu/financialaid contains a wealth of information about financial aid, including downloadable forms and links to other relevant sites. REFUND POLICY FOR FINANCIAL AID STUDENTS

If a student has received federal funds, and has withdrawn from all classes on or after the census date of the payment period, a portion of the financial aid awards may be refunded to the Title IV* programs and/or the student may be required to repay a portion of the funds she/he received. Federal regulations govern the refund of Title IV aid to federal programs.

If a student has completed 60% or more of the payment period (semester), she/he is considered to have earned 100% of the Title IV grant and loan aid received for the payment period. However, if a student withdrawals before completing 60% of the payment period, the amount of any Title IV aid received must be recalculated to reflect the portion of the payment period that she/he completed prior to withdrawal.

For example, if a student withdraws after attending 20% of a payment period, the student earns 20% of any awarded Title IV aid for which she/he established eligibility prior to withdrawing. The unearned Title IV loan and grant aid for the percentage of the payment period not completed must be returned to the applicable Title IV aid programs. Applicable Title IV programs include: Federal Stafford* loan (subsidized* and unsubsidized*), Federal PLUS* Loan, Federal Pell* Grant, FSEOG*, NJ GEAR UP* and other federal sources of aid, excluding Federal Work-Study.

A student who receives a financial aid refund (in the form of a stipend check or student loan refund check) and then withdraws before the 60% point in the semester may be required to return a portion of those funds to the financial aid programs. CCC will reimburse the programs for the amount due from the student and subsequently bill the student for the amount refunded to the federal Title IV programs on behalf of the student.

The business office will notify students of the amount they are responsible to repay. As previously stated, the guidelines for the return of Title IV funds applies only when a student has totally withdrawn from all classes during a semester (payment period). Students who have totally withdrawn may have either officially withdrawn or unofficially withdrawn from all classes.

Official withdrawal occurs when a student, sometime between the third and the eighth weeks of the semester or its equivalent, completes a course withdrawal form and submits it to the Office of Admissions, Records and Registration. The Office of Admissions, Records and Registration will record the date the student submits the course withdrawal form as the withdrawal date. A record of the course and a grade of ‘W’ will appear on the student’s transcript. There is no refund of tuition and fees. The financial aid office obtains weekly listings of students who have withdrawn and uses the withdrawal dates to calculate earned aid for each student.

Unofficial withdrawal occurs when a student does not complete and submit a course withdrawal form, but she/he simply stops attending all classes. A record of the course and a grade of ‘NA’ or ‘F’ will appear on the student’s transcript. Another case of unofficial withdrawal occurs when a student never attended class at all. This results in a grade of ‘XA’ or ‘F’ which will be recorded on the student’s transcript.

Grades of ‘NA’ and ‘XA’ indicate non-attendance. Grades of ‘F’ also may indicate non-attendance when occurring in combination with ‘XA’ or ‘NA’ grades. Courses for which students
receive a grade of ‘XA’ are not eligible for the federal aid. Federal aid will be reduced whenever a grade of ‘XA’ results in a reduction of a student’s enrollment status. Students are also subject to loss of state aid (such as TAG* and STARS*) when they receive “XA” grades.

Scholarships

The Camden County College Foundation awards a number of scholarships for students pursuing various fields of study at the College. These scholarships are made possible through the generosity of private donors who believe in the mission of Camden County College and want to help students to reach their fullest potential. Scholarships are awarded in various amounts annually to enrolled students who are continuing, graduating, and/or transferring. In addition to College-sponsored scholarships, the Office of the Executive Dean of Enrollment and Student Services maintains information on scholarships provided by outside organizations. For further information regarding scholarships, visit the website at www.camdencc.edu/foundation and click on “Scholarships” or contact Jacqueline Tenuto, Assistant Dean for Student Development and Support, at (856) 227-7200, ext. 5088, or the Office of Foundation and Alumni Relations at ext. 4946.

NJ Stars Program

The New Jersey Tuition Assistance Reward Scholarship (NJSTARS) is a program available to New Jersey residence who rank in the top 15 percent of their high school graduating class. It covers the amount of tuition between 12-18 credits, less any federal and state grants, at the student’s home county college. NJ STAR recipients must be enrolled in an associate’s degree program and must have a 3.0 GPA at the start of their sophomore year.

In order to be considered for NJ STARS at Camden County College, students must:

- Complete the Free Application for Federal Aid by May 1st
- Ensure that Camden County College is listed as the first choice on the FAFSA and complete additional New Jersey eligibility questions.

NJ STARS recipients who earn an associate degree from a county college with a cumulative GPA of 3.25 or higher, have a family income (taxable and untaxed income) less than $250,000, and meet all other program eligibility requirements may be eligible to receive an NJ STARS II award. NJSTARSII may be transferred to a New Jersey four-year public college or university to earn a baccalaureate degree. For more information about this program, please contact the financial aid office at the four-year school you plan to attend.

Academic Standards and Regulations / Academic Policies

The following policies and procedures are intended to reaffirm traditional academic standards, safeguard the integrity of courses and programs and encourage in each student a careful, disciplined approach to college study.

 Academic Program Matriculation Policy

In order to graduate from Camden County College, a student must matriculate: that is, be officially accepted into a degree or certificate program. The date of acceptance into a program determines the course requirements that a student must complete for that degree or certificate. Each year, the College Catalog lists courses and degree and certificate requirements that a student must complete. If program requirements change between a student’s matriculation date and graduation date, the student has the option of following either the original curriculum requirements as of the date of matriculation, or the ones in effect when the student applies for graduation. Students cannot select other curriculum requirements that may have been in effect between the time of their matriculation and graduation.

Any student who is not able to satisfy the curriculum requirements of the Catalog in effect at the time of matriculation or graduation, because of courses not being available, should request appropriate course substitutions or waivers from the division dean.

Addressing Academic Concerns and Appeals

GENERAL ACADEMIC CONCERNS

Under due process entitlement, students may register their concerns regarding the academic experience through the academic appeals process. Students must always initiate an
appeal with the instructor/faculty member. Students who initiate the appeal with someone other than the instructor/ faculty member must be referred to the instructor/faculty member and begin at Step 1 in the process. Appeals should be initiated within 10 business days of the occurrence of the occasion for the concern and in accordance with the following procedure:

**STEP 1.** The student must make an appointment and meet with the instructor/faculty member involved to attempt to resolve the matter, bringing such relevant materials as course outline, originals or copies of papers, lab reports, and examination grades.

**STEP 2.** If the matter is not resolved with the instructor/faculty member, the student should write a statement describing the exact nature of the appeal and submit it as directed by the instructor/faculty member to either the department chairperson/program coordinator or the academic dean. The department chairperson/program coordinator and/or the academic dean shall furnish the instructor/faculty member with a copy of any statements submitted by the student. All unresolved appeals to adjunct faculty must continue in accordance with Case I below. Appeals to full-time faculty may continue through one of the following cases:

**CASE I: Student is directed by the instructor/faculty member to the department chairperson/program coordinator.**

Upon submission of the written statement, the student shall make an appointment to meet with the chairperson/coordinator of the department/program in which the course is offered. The chairperson/coordinator of the department/program shall make every attempt to resolve the matter. Once the chairperson or coordinator has had an opportunity to research the matter, a decision will be made and the student will be informed of the findings. The research process may take up to 10 business days.

If the student does not agree with the findings, then he or she may request to meet with the academic dean of the division in which the course is offered, who shall conduct a review with the sole purpose of determining whether the student was provided an adequate opportunity to present his/her case to substantiate the appeal. The student must request an appointment with the academic dean within 10 business days of the receipt of the chairperson’s or coordinator’s findings and submit his/her concern in writing to the dean prior to making the appointment. A decision will be rendered within 10 business days. The decision of the academic dean shall be final.

**CASE II: Student is directed by the instructor/faculty member to the academic dean.**

Upon submission of the written statement, the student shall make an appointment to meet with the academic dean of the division in which the course is offered. The academic dean shall hold the meeting within a reasonable time after he or she has received the request, and he or she shall notify the student of the date, time, and place. A decision will be rendered within 10 business days of the meeting. The decision of the academic dean shall be final.

**FINAL GRADE APPEALS**

Under due process entitlement, a student may appeal his/her final grade. Students must always initiate the appeal process with the instructor/faculty member. Students who initiate the final grade appeal with someone other than the instructor/faculty member must be referred to the instructor/faculty member and begin at Step 1 in the process. All appeals must be initiated within 180 days from the end of the semester/session in which the grade was issued and in accordance with the following procedure:

**STEP 1.** The student must make an appointment and meet with the instructor/faculty member involved to attempt to resolve the matter, bringing such relevant materials as course outline, originals or copies of papers, lab reports, and examinations. The instructor/faculty member will render a decision within (ten) 10 business days following the meeting. In the event the instructor/faculty member is no longer available, the department chairperson or program coordinator will attempt to resolve the matter. If the instructor/faculty member decides to change the grade, the College will do so accordingly and inform the student of the change in writing. No final grade may be changed without written consent of the instructor/faculty member who issued the grade.

**STEP 2.** If the matter is not resolved with the instructor/faculty member, the student must complete a Final Grade Appeal form and submit it as directed by the instructor/faculty member to either the department chairperson/program coordinator or the academic dean. The department chairperson/program coordinator or the academic dean shall furnish the instructor/faculty member with a copy of the completed and signed Final Grade Appeal form. All unresolved grade appeals to adjunct faculty must continue in accordance with Case I below. Grade appeals to full-time faculty may continue through one of the following cases:

**CASE I: Student is directed by the instructor/faculty member to the department chairperson/program coordinator.**

Upon submission of the Final Grade Appeal form, the student shall make an appointment to meet with the chairperson/coordinator of the department/program in which the course is offered. The chairperson/coordinator of the department/program shall make every attempt to resolve the matter. After the chairperson or coordinator has heard the student’s appeal, he or she will discuss the appeal with the instructor/faculty member, and inform the student of the instructor’s/faculty member’s decision. The research process may take up to (ten) 10 business days.

If the student does not agree with the decision, then he or she may request to meet with the academic dean of the division...
in which the course is offered, who shall conduct a review. The student must request an appointment with the academic dean within (ten) 10 business days of the receipt of the chairperson's or coordinator's findings. The academic dean shall hold the meeting within a reasonable time after he or she has received the request, and he or she shall notify the student of the date, time, and place. This meeting may also include the chairperson/coordinator and/or the instructor/faculty member. The sole purpose of the academic dean's review is to determine whether the student was provided an adequate opportunity to present his/her case to substantiate the appeal. A decision as to whether or not the student was afforded due process will be rendered by the academic dean within 10 business days of the meeting. The decision of the academic dean shall close the appeal to further action or discussion.

CASE II: Student is directed by the instructor/faculty member to the academic dean.
Upon submission of the Final Grade Appeal form, the student shall make an appointment to meet with the academic dean of the division in which the course is offered. The student must request an appointment with the academic dean within 10 business days of the instructor's or faculty member's refusal to change the final grade. The academic dean shall hold the meeting within a reasonable time after he or she has received the request, and he or she shall notify the student of the date, time, and place. This meeting may also include the chairperson/coordinator and/or the instructor/faculty member. After the academic dean has heard the student's appeal, he or she will discuss the appeal with the instructor/faculty member, and inform the student of the instructor's/faculty member's decision. This decision shall be final and shall close the appeal to further action or discussion. The research process may take up to 10 business days.

Academic Progress and Probation

ACADEMIC PROGRESS
A student at Camden County College is expected to maintain satisfactory progress toward completion of their program/degree requirements.

ACADEMIC PROBATION
Students who have attempted 13-24 credits and have an alternative GPA below 1.75 or have a ratio of credits attempted vs. credits completed that is less than 67% will be placed on Academic Probation.

Students who have attempted 25 or more credits and have an alternative GPA below 2.00 or have a ratio of credits attempted vs. credits completed that is less than 67% will be placed on Academic Probation.

- Credits attempted include all courses that appear on the transcript, including those with grades of F, W, NA, XA, MP and I.
- Credits completed include all courses for which the student has received a grade of A, B, C, D or P.

PROBATION CONSEQUENCES
1. First semester on probation – Letter from College indicating that student should meet with a College representative prior to choosing classes.
2. Second semester on probation – Letter from the College indicating that registration is restricted and requires the approval of a College representative. There are restrictions on online and accelerated courses and a limit of 13 credits per semester.
3. Third semester on probation – Letter from the College indicating that the student must take an immediate leave of absence of at least one semester (not including summer.)

RE-ENROLLMENT
1. Student must make an appointment and meet with a College representative in order to re-enroll at the College after the leave of absence.
2. Students will be placed on Step 2 of the probation policy upon re-enrollment.

APPEALS: ACADEMIC PROBATION AND SUSPENSION
Probation may not be appealed. However, the restrictions imposed on a probation student and Academic Suspension may be appealed through an area academic dean. Beyond the dean's level, students may opt to appeal to the vice president for academic affairs, whose decision shall be final.

Academic Progress for Financial Aid
The Academic Progress Policy governing the receipt of financial aid from all sources is different than the College's general policy for academic progress, probation and suspension. The policy is regulated by federal and state funding agencies. Generally, students must have a cumulative 67% completion
rate for all credits attempted, must maintain a certain GPA, and must complete their programs of study within a specified timeframe. The policy also limits the number of remedial credits that can be covered by financial aid and the number of times individual courses can be repeated. The full policy is available online at www.camdencc.edu/financialaid.

Academic Forgiveness
Policy and Guidelines
Academic Forgiveness offers a fresh start to students who have been separated from the College for a period of at least five consecutive (5) years and who wish to re-enroll. Under this policy, the student’s grade point average begins with the new matriculation date; however, the former record will remain on the transcript. The student will retain up to a maximum of 30 credits for any course(s) in which a grade of C or better was earned.

This opportunity is offered once during a student’s career at Camden County College. Further information can be obtained from the Advisement Center, Taft Hall, 3rd floor, (856) 227-7200, ext. 4454.

The following guidelines apply:
1. The student’s cumulative grade point average is reset at 0.0 and begins with the new matriculation date.
2. The original academic record remains on the transcript, with a notation that Academic Forgiveness was granted on the date of re-enrollment.
3. Credits for courses in which a grade of C or better was earned may be applied to the present degree or program. Although a maximum of 30 credits earned prior to Academic Forgiveness may be applied to the student’s present degree or program, the student must specify which credits will be brought forward and applied to the present degree or program at the time of application.
4. Academic Forgiveness can be granted only once during a student’s entire career at Camden County College. A student who has completed a degree at Camden County College is not eligible for Academic Forgiveness.
5. Students granted Academic Forgiveness may achieve semester honors but may not graduate with honors.
6. Credits awarded through evaluation (transfer, CLEP, life-learning experience, in-house examination, military experience and advanced placement) are not altered by this program, regardless of date received.
7. If Academic Forgiveness is granted, by federal regulation, the Financial Aid Office must include all courses attempted in evaluating a student’s Satisfactory Academic Progress (SAP). Therefore, students deemed to have unsatisfactory academic progress (USAP) for financial aid purposes and who receive Academic Forgiveness will need to file an appeal and document mitigating circumstances. There will be no “automatic” eligibility for aid based on the Academic Forgiveness.

8. A student receiving benefits from the Veterans Administration will not be reimbursed for repeating courses that had been passed.
9. This policy applies to Camden County College records only. In the case of transfer to another institution, students will be bound by that college’s terms and conditions for accepting transfer credits.
10. To apply, students must complete an Academic Forgiveness application and meet with an academic advisor, who will ensure that the guidelines are met. The advisor will forward the student’s application and a copy of the student’s transcript to the appropriate academic dean. Students must then meet with their academic dean. After meeting with the student, the academic dean will forward the application and student transcript to the Office of Admissions, Records & Registration Services.
11. Students will be notified in writing when their application is approved.

Academic Honors

A student with 12 or more college-level credits in any one reporting term (summer, fall, spring) will be evaluated for Academic Honors for that reporting term. A student with less than 12 college-level credits in all three reporting terms, but who has 12 or more credits over a one-year period (summer, fall, spring), will be evaluated for Academic Honors for that academic year. All students who earn semester grade point averages of 3.75 or higher have their names recognized on the President’s List. Those students whose grade point averages range from 3.25 to 3.74 are recognized on the Dean’s List.

This implementation of the Academic Honors Policy will be guided by the following:
- Non-matriculated students will not be eligible for Academic Honors.
- To be eligible, students must have no grades less than C, no grades of W, I, NA or XA, and no repeated courses during the evaluation period.
- Students may not receive honors as both full-time and part-time in the same academic year.
- Part-time honors for the academic year will be calculated after the spring semester of the year.
- The honors designation will be recorded on the student’s transcript. Honors certificates are mailed three times a year.

PERMANENT PRESIDENT’S LIST AND PERMANENT DEAN’S LIST
The College also recognizes academic achievement upon graduation. All students with a cumulative grade point average of 3.75 or higher and a 67% course completion rate at graduation will be placed on the Permanent President’s List. Those students with a grade point average between 3.25 to 3.74 and a 67% course completion rate will be placed on the
HONOR SOCIETIES
The College recognizes student who perform meritoriously according to national standards by providing the opportunity for membership in various honor societies.

Alpha Mu Gamma
Alpha Mu Gamma is the foreign language honor society. A candidate for full membership, applying through the Nu Theta chapter, must have completed at least two college-level courses of the same foreign language with a final course grade of 'A' and must have earned a minimum 3.0 cumulative grade point average. Upon initiation, a member receives a parchment certificate of membership and may wear a scroll-shaped gold key and a gold cord at graduation.

Kappa Delta Pi
Kappa Delta Pi is an international honor society in education. Founded in 1911 at the University of Illinois. Organized to recognize excellence in education, Kappa Delta Pi elects to membership those who exhibit the ideals of scholarship, high personal standards and promise in the teaching profession. Attending chapter meetings, performing service projects and working with children are some of the required activities of the group. To qualify, students must have a CCC cumulative GPA of at least 3.0, must have completed at least 15 credits of course work, must possess leadership attributes, and must have an intent to continue in the field of education. A registration fee is required at the time of induction.

Mu Alpha Theta
Mu Alpha Theta is an honor society that promotes understanding and enjoyment of mathematics. The goals of Mu Alpha Theta are to provide students with a platform to enjoy mathematics beyond the classroom, to encourage students to become mathematics majors and to pursue mathematical careers, to recognize and reward students for their outstanding achievements in mathematics and to encourage students to participate in the Student Math League competition sponsored by the American Mathematical Association of Two-Year Colleges. Qualifications for membership are a 3.5 cumulative grade point average in mathematics at the pre-calculus level or above and completion of 12 credits of college-level coursework.

New Jersey Collegiate Business Administration Association (NJCBAA)
The NJCBAA honor society is for students who are pursuing a bachelor’s degree or associate degree in business administration. In order to be considered for admission into the society, a student must have completed a minimum of 35% of their coursework at the degree-granting institution. All students who by their grade point average are in the top one (1) percent of the total population of business students at their institution and who have satisfactorily completed at least 70 percent of their degree requirements by January 1 of the induction year are invited to join.

Phi Theta Kappa
Phi Theta Kappa is an international honor society, which recognizes and encourages scholarships through activities that promote fellowship, leadership and service. Eligible students must be enrolled in an associate degree program, maintain a 3.5 grade point average, have earned at least 12 college credits and completed any required remedial classes and English Composition I. The College’s chapter, Dr. Charles Roy Alpha Nu Mu Chapter, was named for a former professor. A membership registration fee is required to participate.

Psi Beta
Psi Beta is a national psychology honor society for community and junior colleges. It was founded to stimulate, encourage and recognize student scholarship and interest in psychology and to nurture scholarship in all fields of study. New members are inducted into the honor society once each academic year, usually in the spring semester. A fee is required for membership. Inductees must have an overall grade average of ‘B’, at least a ‘B’ average in psychology and must have completed at least one semester of a psychology or psychology-based course.

Attendance
Camden County College expects students to attend regularly and promptly all classes and all conferences with professors. Each professor determines his or her policy for student absences from class. This written policy is to be distributed to students at the first class meeting. Should this procedure be overlooked or should a student be absent from the first class, it is the student’s responsibility to obtain the attendance policy of the professor by the end of the first week of class. Students who are absent from class for any reason are expected to make up the work missed. Excessive absences from class may lead to a grade of Not Attending (NA), or the lowering of a grade; however, in certain cases of illness or jury duty, students will be permitted to make up the work if it is academically possible.

Students who are eligible for financial aid, including grants, loans, tuition waivers and work-study, are required to remain enrolled in their classes in order to receive those funds. If the student never attends, ceases to attend, withdraws or receives F, W, NA or XA, he or she will jeopardize his or her financial aid for both current and future semesters. If the financial aid student fails to remain enrolled in and attend at least one course until the end of the semester, the College is required to reduce or cancel the student’s financial aid and to retroactively remove it from his or her account. If the student’s financial aid is reduced or canceled, he or she will remain responsible to pay for all outstanding tuition, fees, book vouchers and stipend amounts. More information about how the student’s
attendance impacts his or her financial aid eligibility may be found on the College’s website.

**Absence Due to Religious Observance**
The College is receptive to excusing without penalty those students who are absent from class because of religious observances and to allowing the make-up of work missed because of such absence. Examinations and required out-of-class activities are not normally scheduled on known religious holidays. Should an examination or out-of-class activity be scheduled on a day of religious observance, the student will be given the opportunity to make up that examination or activity without penalty. It is the student’s responsibility to make their instructors aware in advance of any restrictions in activities due to their religious beliefs, and to provide appropriate documentation as requested.

**Cancellation of Classes (Single Meetings)**
Announcements of class meeting cancellations will be posted prior to the starting time of the given class, but not later than 15 minutes after the starting time.

**Course Evaluation & Testing**
Exams, quizzes, papers, term papers, final examinations and the like are all part of a college education. They help students study and learn. They help teachers evaluate what is being taught and what is being learned. Tests are usually determined by the individual instructor, who determines what is to be tested or measured, how it is to be measured and how long students will have to complete that assignment. Sometimes faculty teaching the same course may agree upon and administer common exams: this is the case in all reading, writing and mathematics skills classes.

Students with certain disabilities may request, through the Office of Disability Services, a letter that will let the faculty know that they are eligible to receive additional time for certain assignments.

Students who miss a quiz or exam may make up the missed exercise with the professor’s permission. If this test or exercise is to be proctored by the Testing Center, arrangements must be made with the Testing Center by the professor. TheTesting Center has established a systematic procedure to administer make-up tests. Tests will be given under controlled conditions according to a published schedule available in the Testing Center. The schedule may be found on the Camden County College website, www.camdencc.edu. Students must bring their current student photo ID card to the testing session. No books, notes, calculators, dictionaries or other aids are permitted unless specifically indicated by the instructor.

**Academic Honesty Guidelines**

**CHEATING AND PLAGIARISM**
All students are expected to do their own work. All forms of academic dishonesty are absolutely forbidden. Students who cheat, plagiarize or commit other acts of academic dishonesty will be subject to immediate disciplinary action. This may result in an automatic grade of ‘F’ for an assignment and/or for the course. Academic dishonesty may also be subject to additional penalties as determined by the College in accordance with sanctions for violations of the Student Code of Conduct.

**ACADEMIC DISHONESTY DEFINITIONS**
The following are examples of academic dishonesty but not the full range of prohibited behaviors in the classroom, studio, laboratory, library, testing center, computer center, internship placement, or any other College sites.

1. Cheating is defined as an act of deception by which a student misleadingly demonstrates that he/she has mastered information on an academic exercise. Behaviors that will be considered as cheating include but are not limited to:
   a. Unauthorized copying or allowing another to copy a test, examination, quiz, paper, project or performance;
   b. Using or attempting to use unauthorized materials (such as notes, books, computer-based media, formula lists, “cheat sheets” or a computer translator in a foreign language assignment) during a test or out-of-class assignment;
   c. Communicating during a test in any way with anyone other than the test administrator using paper, cell phones, text messaging or other media;
   d. Submitting a paper, a project or major portions of a paper or project that have been previously submitted in another class without the permission of the current instructor;
   e. Turning in a written, oral or computer-based assignment that is not the student’s own (including labs, art projects, homework, prewritten or purchased papers or work downloaded from the Internet);
   f. Stealing, buying or otherwise obtaining all or part of tests or other academic materials belonging to a faculty member;
   g. Improperly obtaining a test or any information about a test;
   h. Changing, altering or being an accessory to the changing or altering of a grade in a grade book, on a test or any official academic record of the College that relates to grades;
   i. Forging or altering attendance records;
   j. Intentionally impairing the performance of other students, such as by adulterating laboratory samples, creating a distraction, altering computer files;
   k. Taking a test for someone else or permitting someone to take a test for you; and
   l. Intentionally using invented information or falsified research as authentic findings.
2. Plagiarism is defined as the act of representing the work of another as one’s own without proper citation. Behaviors that will be considered as plagiarism include but are not limited to:
   a. Failing to give credit, using acceptable academic methods for written, oral or computer-based ideas or materials taken from others;
   b. Representing another’s artistic or scholarly work as one’s own;
   c. Using another’s analogy, algorithm, code or style to produce a computer program;
   d. Using another’s data, solutions, computer accounts or calculations without the appropriate authorized permission; and
   e. Listing sources on a works-cited page or in a references list that were not actually used.

ACADEMIC DISHONESTY CONSEQUENCES AND APPEALS

Consequences
1. Faculty members may impose academic penalties for academic dishonesty at their discretion.
2. This could include assignment of make-up work, a grade of F for an assignment or for the course, etc.
3. Students who are assigned a grade of F for a course as a penalty for academic dishonesty will forfeit their right to withdraw from the course.
4. Students who are accused of academic dishonesty may be referred to the executive dean of enrollment and student services for disciplinary action.
5. Academic dishonesty is considered a violation of the Student Code of Conduct and is subject to the same procedures and sanctions as any other misconduct.

Appeals
A student desiring to appeal the penalty imposed for academic dishonesty must follow the College’s outlined general academic appeal procedures or disciplinary appeal procedures, depending on whether the penalty was imposed by a faculty member (general academic appeal) or by student services, including the Hearing Board (disciplinary appeal).

Grading Policy

GRADE POINT AVERAGE (GPA)
Two types of grade point averages are officially recorded for every student: a semester GPA and a cumulative GPA. A semester GPA is based upon college-level credits earned by a student during any given semester. A cumulative GPA is based upon all college-level credits earned by the student at Camden County College and is used to determine a student’s academic standing.

ALTERNATE GPA
To monitor academic progress, an alternate semester and cumulative GPA are calculated using grades from both college level and pre-college level courses. The alternate GPA is listed on the degree audit for advisement purposes but does not appear on the official transcript.

TO CALCULATE THE GPA:
List all relevant courses and grades received. (If a course is repeated, the highest grade is used. However, each grade will appear on the student’s transcript). Convert the letter grade to a grade point as explained below:
- Multiply the grade point(s) for each course by the number of credits given for the course to obtain the number of quality points.
- Total the number of credits for the courses listed.
- Total the number of quality points for the courses listed.
- Divide the total number of quality points by the total number of credits.
- The result is the grade point average.

GRADE REPORTS
Grade reports are made available to all students at the end of the semester. Students may view and print these grade reports online using WebAdvisor and also may view and print unofficial transcripts of grades. Grade reports also may be mailed by request to students by the Office of Admissions, Records & Registration Services. Official transcripts of grades may be obtained by completing an online request using WebAdvisor or by submitting a signed, written request to the Office of Admissions, Records and Registration Services. Transcript Request Forms are available in administrative offices or may be downloaded from the College’s website. Paper requests must include the name, address, ID number and signature of the student. Requests also must include the name and address of the place to which the transcript should be sent. All financial obligations to the College must be satisfied before an official or unofficial transcript will be released. There is a charge of $10 for each copy of an official transcript. Those with questions or a desire for more information should contact the Office of Admissions, Records & Registration Services at (856) 227-7200, ext. 4200.
LETTER GRADES
The following identifies letter grades used by faculty and a brief explanation of the grades:
A Superior indicates superior achievement; mastery of the subject.
B Good indicates consistent achievement that demonstrates an understanding of the subject sufficient for continued study in the discipline.
C Average indicates satisfactory achievement that demonstrates an understanding of the subject sufficient for continued study in the discipline.
D Poor indicates performance suggesting little aptitude or application on the part of the student in that particular course. This grade will not transfer.
F Failure indicates an insufficient understanding of the basic elements of the course. Last date of attendance is required when a grade of F is posted.

The following designations may also appear on the transcript:
NA Non-Attending – A professor may assign an NA grade if the student has stopped attending class, has exceeded the number of absences allowed in the written policy of an instructor or if there is insufficient evidence to calculate a grade.
W Withdrawal see Course Withdrawal Procedures.
I Incomplete Work – The grade of I can be assigned only if the student still has work to complete. The I grade requires an expire date. The I will automatically become an F after the expire date. It is assumed that the student who receives an I has satisfied the professor’s attendance requirements during the semester. The grade of I will have no effect on the student’s grade point average. To change the I to a letter grade, the student should complete the course requirement before the expire date. The grade of I will have no effect on the student’s grade point average. To change the I to a letter grade, the student should complete the course requirement before the expire date. This grade may be changed only on the recommendation of the appropriate faculty member. If an “expire date” is not entered on WebAdvisor, the grading roster will not be processed successfully and an error message will appear at the top of the page. College policy suggests that an incomplete should be completed by the end of the following semester (The summer term is not included when determining next term) or a faculty may specify a different expire date by entering that date in the expire field. Faculty should inform students of the specified expire date. If faculty wishes the I grade to change to a grade other than an F, they should complete an Incomplete Grade form.
XA Never Attended indicates that the student never attended class. The XA will be recorded on the student’s transcript, but it is not computed in the grade point average. The costs for courses in which students receive a grade of XA are not eligible to be covered by federal aid. XA is not a valid final grade, unless it was reported earlier in the term as an attendance grade. Faculty will not be able to post an XA grade on the final roster. Only the Office of Records and Registration Services has access to post a final grade of XA.
WU Student is auditing the course. Students must declare this option by a specified deadline.
MV Student is making progress in the course (this grade is used only for Academic Skills Reading, Writing, Academic Skills Express courses and ESL courses).
RV Student is recommended for Academic Skills Express courses (this grade is used only for Academic Skills Math courses).
SA Satisfactory Attendance may be used for all courses, but only as an attendance grade, not as a final grade. It indicates positive attendance at the point in time that attendance is reported, which is usually at about the 4th week or an equivalent period for non-standard sessions.

REPEATING A COURSE
Students wishing to increase their grade in a course may repeat the course. Although both the original grade and the repeat grade will appear on the transcript, only the higher grade will be averaged into the cumulative grade point average. All grades are considered in evaluating academic progress for financial aid; and financial aid may not cover courses that students have already received a passing grade in. Four-year colleges take into consideration the entire academic history, so doing everything one can to earn a good grade in the first attempt is always the best option.

Commencement Ceremony/Issuing of Degrees and Certificates
Camden County College holds one commencement ceremony in May of each calendar year but issues degrees and certificates two times per year – December and May. Students who complete required coursework in a fall term and file their graduation application packets by the official last date of that fall term are considered December graduates. Students who
complete required coursework in a summer term and file their graduation application packets by the official last date of that summer term are considered May graduates. Students who complete required coursework in a spring term and file their graduation application packets by the official last date of that spring term are considered May graduates.

All graduations conferred within the same calendar year and with completion dates in December and May may participate in the annual commencement ceremony held in May.

Graduation Eligibility

To graduate from Camden County College with an associate degree or a certificate, a student must satisfy the following requirements:

1. Earn the number of credits required by the program of study pursued. Credit requirements vary from program to program; remedial/ESL courses do not count toward graduation requirements;
2. For degree programs, complete at least 30 semester hours at Camden County College; for certificate programs complete at least 50 percent of the required credits at Camden County College;
3. Have a cumulative grade point average of 2.0 or higher. Grades from other colleges are not used in this computation;
4. Satisfactorily complete all subjects in an approved curriculum. If students can justify waiving or substituting a course in the curriculum, they must seek official permission to do so by applying for a course waiver. The Waiver Request form is available through the academic dean’s office of the curriculum in which the student is enrolled, or at the student service locations at the Camden Campus and at the William G. Rohrer Center in Cherry Hill.

Each student is personally responsible for knowing and meeting all program requirements.

GRADUATION APPLICATION PACKET

The graduation application packet must be submitted to the dean’s office by the official last day of the semester in which the student intends to graduate. Applications submitted after the official last date of a semester will be processed for the following semester, and the date of graduation on the transcript will be reflected accordingly. A complete packet includes:

- Application for graduation;
- Current college transcript/degree audit;
- Graduation Recommendation form; and
- Approved waivers or substitutions as applicable.

FILING FOR GRADUATION

The graduation packet may be obtained from the academic deans’ offices, the Office of Admissions, Records & Registration Services, the Advisement Center, the Camden City Campus 2nd floor, Camden Technology Center and the William G. Rohrer Center Information Desk. Students should schedule a meeting with their program coordinator or academic advisor to complete the application packet and review degree requirements. The advisor or program coordinator and the student must sign the Graduation Recommendation form. In the semester they plan to graduate, students should hand-carry their completed graduation packets to the appropriate academic dean. In order for student names to be posted in the commencement program, packets must be submitted to academic deans’ office by April 1 for May graduation or December 1 for December graduation. All graduates wishing to participate in May commencement ceremonies must file by April 1. Evening, Camden City Campus, and William G. Rohrer Center students may have their advisors or program coordinators forward their graduation packets to the appropriate academic deans. The appropriate academic dean will contact the students in writing if there is a question concerning eligibility to graduate. If the students have received an official waiver or substitution for any course(s), a copy of the approved waiver or substitution must be attached to the packet.

The academic deans will certify each of their graduates. Those students whose applications for graduation have been denied may appeal the decision through the office of the appropriate academic dean.

WAIVING CURRICULUM REQUIREMENTS

It is necessary to complete all courses in an approved curriculum in order to graduate. Students who feel there is justification for waiving/substituting any course in their curriculum must obtain official permission to do so by applying for a course waiver. The form for this procedure is available through the office of the dean of the academic division in which the student is enrolled, or through the main office at the Camden City Campus and the William G. Rohrer Center Information Desk. Course waiver requests must be filed in the dean’s office no later than February 15 for students expecting to graduate in May, and by September 15 for students expecting to graduate in December. The office of the appropriate dean will notify students that the waiver has been accepted or rejected. That decision will be final.

Alumni Association

With more than 40,000 graduates, the Camden County College Alumni Association provides alumni with the opportunity to stay connected to the College. Upon graduation, alumni are eligible to receive their official alumni ID card from the Office of Foundation and Alumni Relations. Student Communication

STUDENT EMAIL SYSTEM
All students enrolled at Camden County College will be assigned a student email account. This email account is the College's official means of communicating with students, so students are advised to check this mailbox regularly. The account provides the ability for students to forward emails from the College-issued mailbox to an already existing account that they may have (e.g., Yahoo, Hotmail, Comcast, etc.). The format of the account is the student's first and last name, plus the last three digits of the student identification number, followed by @students.camdencc.edu. For example, if a student's name is John Doe and his student ID is 5551212, then his email address would be: John.Doe212@students.camdencc.edu. For more information about the Camden County College student email account, go to the College's website at www.camdencc.edu, and click on “Email” in the “Student Services” section of the main menu.

EMERGENCY NOTIFICATIONS - COUGAR CALL
“Cougar Call” is Camden County College’s emergency notification system providing phone and text messages in the event of an emergency and to broadcast important information including weather-related closings to the College community. Every student is automatically subscribed to “Cougar Call” when registering for classes. The student may opt out at any time. It is recommended that students check their wireless phone provider regarding costs for incoming text or phone messages. The College is not responsible for any extra costs incurred as a result of receiving notifications via phone, email or text. All information provided is completely confidential. For questions about the “Cougar Call” system, please call the Department of Public Safety at (856) 374-5089. If you are not receiving messages send an email to nhixon@camdencc.edu.

Advisement Services
The Advisement Center provides academic and career counseling and assists students in developing an action plan to accomplish their academic and career goals. Students are encouraged to contact an academic advisor for help in selecting courses and discussing current and future goals. Advisors are also available to provide information regarding program requirements, academic policies, transfer, and career opportunities.

Full-time, first-time students are required to meet with an advisor before registering. Continuing students are encouraged to meet with an advisor. However, part-time continuing students and students who have earned 25 or more credits may self-advice. Students who self-advice are responsible for making sure all prerequisites are met and that courses selected satisfy program requirements.

COOPERATIVE EDUCATION (CO-OP)

Cooperative education is an educational program designed to award academic credit for work related to a student’s major. Combining classroom learning with supervised work experience fosters personal growth and professional development. Cooperative education students increase their marketability upon graduation and also begin a networking process through contact with other professionals. Co-op students gain practical work experience, earn credits towards graduation, allow for career exploration, and establish professional contacts. To be eligible, students must be matriculated in a degree program offering co-op as a credit option, have a minimum GPA of 2.5, have completed six (6) credits in the major in which they will do the co-op, and have a minimum of 20 credits completed either in transfer or at Camden County College.
Students must complete a Cooperative Education Registration Form before registering and must have a job related to their major. Program coordinators must approve the job for which co-op credit is being sought. Students who do not already have a job may seek assistance in finding a position through the Office of Student Employment. Placement cannot be guaranteed.

Co-op is an academic course and requires registration. The tuition is the same as that of any other three-credit course. Co-op registration will be accepted through the 10th day of each semester. After that deadline, students will be advised to register for the next semester. Most co-op work experiences are paid positions, but internships also may be eligible for credit. Students can earn three (3) college credits for 300 hours of paid work experience. Volunteer work or internship experience requires 120 hours to equal three (3) college credits.

To take advantage of co-op for credit, contact the office of the academic dean for the program you are pursuing.

CLUBS AND ORGANIZATIONS
Clubs, organizations and special interest groups are supported by the Camden County College student government association in an effort to provide students with activities outside the classroom to enhance their academic experience. Most clubs have a linkage to academic programs and provide fun activities and community service opportunities. Generally, clubs are reauthorized and funded each year if there are at least 15 students who express an interest in participating, and the clubs typically are focused on either the Blackwood or Camden City Campuses. October 1 and December 1 are the fall and spring activation deadlines, respectively. The College also sponsors honor societies, which recognize students who achieve academic excellence according to national organization standards. These extra-curricular activities and events are provided under the auspices of the Office of Student Life and Activities, and include a student newspaper, Campus Press, and the WDBK radio station. Some clubs meet exclusively at the Blackwood Campus and others exclusively at the Camden City Campus, but all activities may be joined by students enrolled in credit courses at any of the College’s locations. Because many CCC students work and/or are raising families, the Office of Student Life and Activities sponsors a variety of events and activities to appeal to a wide range of student interests, without respect to membership in a particular club, organization or honor society. For more information contact the Office of Student Life and Activities at (856) 227-7200, ext. 4282.

How to Join a Club
Club/organization membership is open to all students enrolled in credit courses at any of the three College locations. Students desiring to join a club must complete and submit a Club Membership Form to the Office of Student Life and Activities by October 1 for the fall semester or by February 1 for the spring semester. In order for a club to be activated, at least 15 students must join and participate. Member lists will be authenticated by the Office of Student Life and Activities. Every club must submit a schedule of meeting dates, goals for the academic year and a summary of how they will use allocated funds related to the expressed goals. Spending will be authorized after review by the executive dean of enrollment and student services. Honor society membership is selective, based on meeting certain GPA requirements, and requires payment of a membership fee. Interested students should contact the honor society advisor or the office of the related academic dean. Questions should be addressed to Jackie Tenuto, assistant dean for student development & support. The Office of Student Life and Activities is located in the Otto R. Mauke Community Center, room 200, (856) 227-7200, ext. 4282.

How to Request Formation of a New Club
A student desiring to form a new student club must complete a New Club Request Form, which includes a statement of the purpose of the club and at least fifteen (15) Club Membership Interest Forms from properly enrolled students. Club/organization membership is open to all students enrolled in credit courses at any of the three College locations. Completed forms must be submitted to the Office of Student Life and Activities by October 1 for the fall semester or by February 1 for the spring semester. If the new club is recommended by Student Government Association (SGA) and approved by the executive dean of enrollment and student services, the club will be activated. The student who files the request form will be notified in writing of the disposition of the request. The newly activated club must submit a schedule of meeting dates, goals for the academic year and a summary of how they will use allocated funds related to the expressed goals. Spending will be authorized after review by the executive dean of enrollment and student services. Questions should be addressed to Jackie Tenuto, assistant dean for student development & support. The Office of Student Life and Activities is located in the Otto R. Mauke Community Center, room 200, (856) 227-7200, ext. 4282.
STUDENT GOVERNMENT ASSOCIATION

The Student Government Association (SGA) is the component of student life that represents students in governance matters. All students enrolled in credit courses at Camden County College are eligible to participate in the association. The College allocates money from general service fees to fund the various student clubs, events and activities. It is the function of the SGA to make recommendations for (1) apportionment of funds among the various clubs, organizations and activities; (2) rules and regulations concerning the conduct of the student body; (3) policies affecting student life. Through SGA, students are able to express their concerns on matters directly related to them and the College, to generate school spirit and to encourage student participation in College life. The Student Government Association elected positions are: President; Vice President; Treasurer; Secretary and Treasurer, Camden Campus Executive Officer, Rohrer Campus Executive Officer.

Administration of Code and Proceedings

This Student Code of Conduct shall be administered by the executive dean of enrollment and student services or his/her designee. In the case of visitors, Public Safety personnel will handle sanctions as appropriate.

CLASSESRM MANAGEMENT

The primary responsibility for managing the classroom environment rests with faculty members who are authorized to remove students from class for behavior that threatens others or in any way impedes the teaching and learning process. If such a student refuses the faculty member’s request to leave, the faculty member may request the assistance of the Department of Public Safety to remove the student from class. When a faculty member has removed the student from class for disruptive behavior and deems it necessary to preclude the student from returning to this particular class, the faculty member should immediately file a misconduct complaint with the executive dean of enrollment and student services, students or those acting on his/her behalf, who will follow the procedures set forth herein to determine whether the student has violated this code and if so, whether to impose sanctions.

SANCTIONS

Acts of misconduct will be met with one or more of the following sanctions, all of which will be permanently recorded and kept on file in the office of the executive dean of enrollment and student services.

1. Warning – verbal or written admonition against further violations, alerting student that continuation of misconduct may be cause for more severe disciplinary action.

REPORTING MISCONDUCT

Allegations of student misconduct will be reported promptly to the assistant dean for student development and support or those acting on his/her behalf. All reports will be addressed in a timely manner. When student misconduct occurs, any person observing it (including students, faculty, administrators, etc.) should immediately report the misconduct to the responsible College official. Any reports received by campus officials or public safety personnel will be routed to the assistant dean for student development and support. A written report will be submitted as soon as possible after a verbal report is made, and will include, at a minimum, the following information:

1. name, department and position of the person making the report;
2. date(s), time(s) and place(s) of each alleged act of misconduct;
3. name(s) or other identifying information of the student(s) involved in the allegations;
4. a detailed description of each act of student misconduct
including what was stated and done by the individuals involved;
5. the name(s) or other identifying information of other witnesses to the acts of student misconduct;
6. a brief indication as to which specific provisions of the Student Code of Conduct are alleged to have been violated; and
7. a statement by the person making the report whether he or she will be willing to participate if necessary as a witness in subsequent administrative proceedings.

The assistant dean for student development & support or those acting on his/her behalf shall immediately notify the Department of Public Safety of the occurrence of any misconduct constituting a violation of law and of the suspension of any student for misconduct. A copy of the notice will also be sent to the appropriate academic deans.

Misconduct may also be reported directly to the Department of Public Safety. If the conduct is considered to be pervasive, continually disruptive to a class, or places others at risk, the Department of Public Safety will remove the student from class and the College campus until meeting with the assistant dean for student development and support. In some cases, the student will be required to report to the assistant dean for student development & support before being permitted to return to class.

DISCIPLINARY CONFERENCE
When misconduct is reported, the assistant dean for student development and support, her designee, or the designated official at Camden City Campus or William G. Rohrer Center will as immediately as feasible speak to the alleged violator and to any persons harmed by the misconduct or witness to it. The assistant dean for student development & support or those acting on her behalf will discuss the matter with the alleged violator apprising him/her of the accusation made and giving him/her an opportunity to explain his/her version of the facts. After conducting this discussion, the assistant dean for student development & support or those acting on his/her behalf shall determine whether (1) to dismiss the matter, (2) to issue a warning, (3) to issue a written reprimand, (4) to restrict facility use or participation in activities, (5) to refer for an intervention strategy, (6) to assign community service, (7) impose an appropriate sanction him/herself or (8) to convene the Hearing Board.

REFERRAL TO HEARING BOARD
If the assistant dean for student development and support determines that referral to the Hearing Board is in order, he/she will provide the student with written notice of the time and place of the disciplinary proceedings before the Hearing Board, and the nature of the complaint against the student. The student charged shall receive at least five (5) days advance written notice of the hearing. Disciplinary proceedings are closed. Attendance is limited to board members, the alleged violator, the violator’s representative, the complaining party and any witnesses. Proceedings before the Hearing Board are not intended to be a formal legal proceeding, but rather are administrative proceedings and are conducted informally; however, a student may obtain the advice of anyone who is reasonably available and willing to assist, including a College administrator or faculty member during the proceedings before the Hearing Board. If a student advises the assistant dean for student development and support at least five (5) working days before the Hearing Board appearance of his/her inability to obtain such advice, the assistant dean for student development and support may appoint a suitable individual to advise the student. Where the assistant dean of student development and support deems a witness to be at risk of harm, the anonymity of the witness shall be preserved by presenting a statement of the witness out of the presence of the accused student, provided that the substance of the witness’ statement is made known to the accused student. The student charged shall have the right to produce persons or materials to refute the charge and may personally testify and make a closing statement to the board prior to its deliberations. At the discretion of the Hearing Board chair, questions may be posed by the alleged violator indirectly through the Hearing Board chair but witnesses are not subject to direct cross examination. Disciplinary proceedings before the Hearing Board and action to the extent possible shall be implemented rapidly and with a sense of urgency. If written notice is served during the period June through August, proceedings will occur within one month of the first day of the fall semester.

For the safety of all of those who are present, handbags, backpacks, large packages, and laptop computer cases are not permitted in the Hearing room. Anyone insisting upon bringing in a handbag or package as described above understands and agrees that for the safety of everyone present it may be subject to search by a public safety officer.

Failure to Appear
Failure of the student charged to appear before the Hearing Board after proper notice will not normally be cause to postpone or cancel the proceeding, which may be conducted in the absence of the student charged. The Hearing Board shall make its findings and recommendations at the conclusion of the presentation of the matter. An adverse finding must be supported by a preponderance of the evidence presented to the board. Determinations of the Hearing Board shall not be made public unless required by law. The findings, recommendations and summarized record of proceedings on disciplinary cases shall be transmitted in writing to the assistant dean for student development and support. If the Hearing Board finds no basis for imposing discipline, no further discipline shall be imposed for the same charge. If it is determined that discipline is warranted, the Hearing Board may recommend the appropriate sanction from the list above. The assistant dean for student development and support will consider the recommended sanction and make the determination of the appropriate sanction. The assistant
The dean for student development and support must notify the student within a reasonable period of time (no longer than 15 days) of the sanction to be imposed.

**Hearing Board Waiver**

Despite the referral of a matter to the Hearing Board by the assistant dean for student development and support a student may file with the assistant dean for student development and support a written waiver of the review of the Hearing Board. Upon filing such a waiver, the executive dean of enrollment and student services will determine the disciplinary action warranted.

**Complaint Withdrawal**

The assistant dean for student development and support reserves the right to withdraw a complaint for demonstrated cause prior to the Hearing Board review or rendering of a disciplinary action.

**NOTIFICATION OF HEARING BOARD DETERMINATION**

The student will be notified in writing of the findings and determination of the Hearing Board within a reasonable amount of time that allows full review and consideration of all case materials.

**STUDENT APPEAL PROCESS OF HEARING BOARD DETERMINATION**

Students may appeal the determination of discipline imposed by the assistant dean for student development and support or the Hearing Board BY SUBMITTING A WRITTEN REQUEST to the executive dean of enrollment and student services. The request must be submitted within five (5) days of receiving the notice of sanctions imposed.

**FINAL DETERMINATION**

Within ten (10) working days from receipt of a student’s appeal to the executive dean of enrollment and student services, the executive dean will notify the student in writing of his/her agreement or disagreement with the decision. The decision being appealed will not be implemented during the appeal process; however, a student suspended from campus and/or activities shall not be permitted to return unless circumstances no longer justify the suspension as determined.

The decision of the executive dean of enrollment and student services is final.

**Campus Safety and Security**

Camden County College’s security policies and procedures seek to provide for the safety and welfare of the College community. College community members can help maintain their own safety on campus by following all security procedures and by using common sense safety practices. These practices include walking in groups; reporting suspicious activities; and not leaving books, coats, or backpacks unattended. Remember: Security is everyone’s responsibility!

The Public Safety Department is responsible for security at all locations and reports to the executive director of financial administrative services. All officers complete 40 hours of security training, standard first aid Cardio Pulmonary Resuscitation (CPR) training and annual in-service training. Public safety officers are equipped with two-way radios so that they can communicate within the department. The department maintains an excellent rapport with state, county and local police agencies. It also files a statistical crime report as required by law. This report is available upon request from any public safety office. The Blackwood Campus Public Safety Department is located in the Otto R. Mauke Community Center; the Camden City Campus Public Safety Department is located at the Information Desk on the 1st floor of both campus buildings; and the William G.
